

ADMINISTRATIVE UNIT OUTCOMES

Office of Associate Vice President of Instruction

- * Work areas/programs and employees will report that Instruction (specifically Instructional Support programs) is working in a collaborative and integrated manner with Student Services and Finance and Educational Resources.

(Means of assessment – satisfaction survey, focus groups, dialogue in campus-wide committees such as PBTs, DARE taskforce, College Council, etc.)

- * Students are able to persist and succeed through developmental education in a timely manner.

(Means of assessment – track the impact of Instructional Support programs on LinC, Honors, ICCE, and SSC cohorts of students)

- * Students will report they are more engaged in their academic courses and college life.

(Means of assessment – student satisfaction survey and student engagement survey)
