Assessment Placement Challenge Form – Math

Students wishing to challenge their placement should do the following:

- 1) Confirm that your test results are displayed on MyPortal.fhda.edu > Registration Tab> View My Placement Test Results. *You should see your results within 1-2 business days of testing.*
- 2) Check to see if you are eligible to retest: deanza.edu/admissions/placement/retest
- 3) Complete all fields of this form. (We can help you!)
- 4) Email, or deliver this form, to the Assessment Center and we will provide you with next steps for how to contact the correct department chair. (Our contact information is at the bottom of this form.)

Special Notes for Math Students:

- Our math test is adaptive. This means that as you answer questions correctly, you will be asked more advanced questions; while answering incorrectly will result in the easier questions.
- Students choose which the starting level of their math test. We recommend that you choose the level of math that you feel most familiar with. For example, if you have taken...
 - ✓ A Pre-Calculus or higher math course, you should start with the Calculus Readiness Test.
 - ✓ A Trigonometry or Statistics course, you should start with the College Level Math Test.
 - ✓ A Geometry or Pre-Algebra course, you should start with the Elementary Algebra Test.
 - ✓ An arithmetic course, you should start with the Arithmetic Test.
- If you are unsure of your math level, or wish to refresh your math knowledge before testing, check out our free, online Study Guides: deanza.edu/admissions/placement/samples
