

## ENGLISH COURSE PLACEMENTS & SEQUENCE

**De Anza assesses students in both English Writing and Reading.**

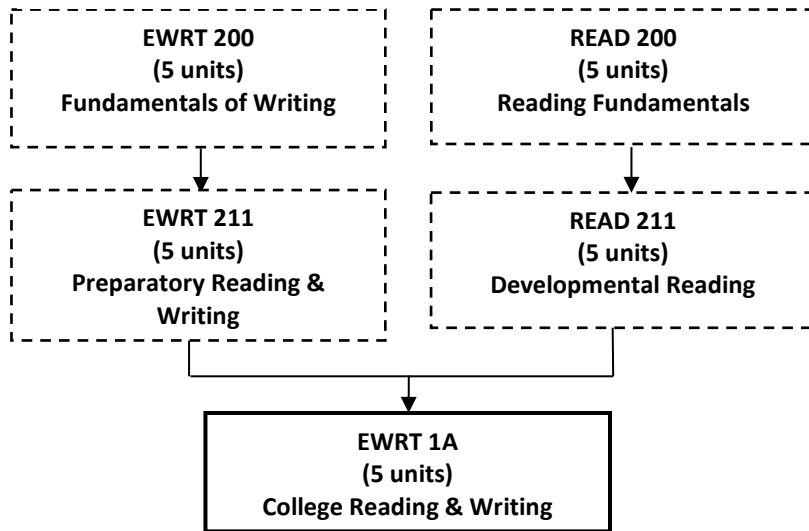

- When a student’s placement test results indicate that a developmental English Writing (EWRT) and/or Reading (READ) course is required, the student must complete the lower level course before progressing to the next level in the EWRT and/or READ course sequence.
- Students that are **EWRT 1A eligible**, will receive a “No developmental EWRT course required” result **AND** a “No developmental READ course required” result.

De Anza’s **LART Program** allows students to enroll in READ and EWRT developmental courses.

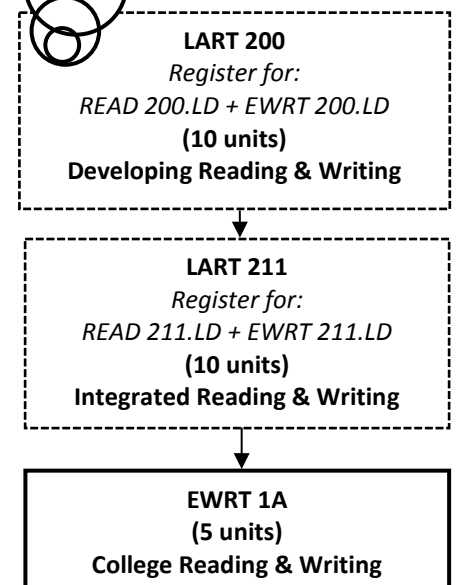

*Be sure to check the **course notes** section in the catalog for special registration instructions.*
