

Create My Scene Internship Program

Are you looking for a real world experience in business? Are you interested in social media and business marketing? Create My Scene is offering an internship to aid in designing and executing the social marketing strategy for the company.

Why?

- Develop real world, hands-on experience
- Analyze markets and conduct target customer research
- Work directly with business owners
- Have input to decision-making process

Who?

- College student with 2 or more years of education in applicable fields (Business, Marketing, Internet Technology / Computer Science, Graphic Design)
- Familiarity with major social media networks (i.e. Facebook, Twitter, etc.)
- Willingness to learn
- Demonstrated work experience preferred but not required (not necessarily in area of study)

When?

Position is open immediately, but can be filled as late as January 2012. Internships are available year-round, but ask for a minimum commitment of 3 months.

How?

Contact Ryan at rswigler@createmyscene.com for more details. Include a complete resume attached to email.

About the Company

Create My Scene is a company dedicated to providing custom, large-format printing for the home and office décor industry. Customers are able to use high-quality digital images, whether from stock collections or their own, to print on a variety of surfaces around the home and office. This allows them to achieve a custom look that can match any décor.
