

CCP Calendar Winter 2012

Jan. 9 – Week One of the Quarter

Instructors contact CCP at ccpartners@deanza.edu with their intent to participate. This is important because students will need to select their instructors and course info when they apply.

Jan. 17 to Jan. 20: Classroom visits: instructors should e-mail ccpartners@deanza.edu to request a time for a member of the CCP Team to visit and talk to students for 5 minutes.

Jan. 18 to Jan. 27:

Students apply on-line at www.deanza.edu/ccpartners/ Apply early as space is limited. Due to budget cuts, we can only match 150 students this quarter. Those who apply must be approved before a partner is found. If you have questions or concerns, e-mail us or go to the CCP office in AT304 before the deadline.
