

## **Please Support CCP in 2011-2012!**

*Cross Cultural Partners (CCP) seeks to promote cross cultural friendships and improve English language communication among De Anza College students from English as a Second Language (ESL) and non-ESL classes, thus enhancing understanding and appreciation for cultural diversity in an informal and relaxed atmosphere.*

Student participants are more likely to fulfill the mission of De Anza College by becoming:

- *knowledgeable and self-directed members of the workplace,*
- *appreciative of the aesthetic expressions of humankind,*
- *vital participants in the diverse cultures of our community,*
- *informed and active citizens of the world, and*
- *lifelong learners.*

Won't you support CCP? CCP relies on private donations for the bulk of its program costs. Donations and funding are crucial in order to continue our services to students and to the De Anza College Community.
