

# Summer Internships

PACE Funding is a financial technology company providing loans for residential energy efficiency, solar and water conservations projects. We are looking for a few Interns to help us in marketing, operations and government affairs.

We are seeking undergraduate students with a business concentration. Strong communication skills are required. This Internship may lead to employment.

PACE Funding Group LLC ([www.pacefunding.com](http://www.pacefunding.com)) is an energy efficiency, water conservation and renewable energy finance company based in Los Gatos, CA. We offer the excitement of working in a technology start up environment and the reward of doing something to make the world a better place.

Reach out to us at [bob@pacefunding.com](mailto:bob@pacefunding.com) and include "Summer Internship" as the email subject.
