## DE ANZA COLLEGE

### Club Advisor's Responsibilities

The purpose of having De Anza faculty/classified professional club advisors is to ensure that the college fulfills its obligation to students and to conform to both the Education Code and District policy. According to Division 9, Article 5, of the Education Code, students "...shall be free to organize and join associations to promote their common interests." The Foothill/De Anza Community College District brochure on "Student Freedoms and Responsibilities", Article III, Section A, Subsection 3, states that advisors should advise the organization in the exercise of its responsibilities but they shall not have authority over the policy of the organization. An advisor is there to ensure that students have the opportunity to grow and learn from activities outside of the classroom and to make sure that the club/organization conforms to the District's policies and regulations. (For example: No alcoholic beverages during an official club/organization activity.)

#### THE DUTIES OF THE CLUB ADVISOR ARE TO:

- Serve as the official staff representative of the college.
- Work closely with the club to ensure a cooperative relationship between the advisor and the club membership.
- Assist each officer of the club in understanding their duties.
- Give particular attention to the financial activities of the group in order to prevent the incurring of organizational debts for succeeding members to pay.
- Assist students to understand and apply democratic principles within their own organizations and in working with others.
- Be present for all official club/organization meetings and activities (business and social), and to advise students of the policies and procedures which they must follow as a club/organization.
- Be familiar with the ICC Code, ICC Financial Code, ICC Concessions Code, and club financial process.
- Ensure that all reasonable steps are taken to insure the safety and welfare of club members.
- Ensure that appropriate college policies are upheld.
- Sign all club/organization requisitions for the club/organizations and to make sure that
  - 1) the student treasurer or president or vice president signs it and
  - 2) that the expenditure is correct within all existing policies.

ADVISOR(S)

A suggestion is to have two club advisors. Also, if you have a Part Time Faculty as a club advisor then there should also be a full time faculty or staff member because if the Part Time Faculty is not teaching a quarter then the club would not have a club advisor and become inactive.

Please print clearly. This information is listed on the De Anza club website.

I, as Club Advisor agree to fulfill the duties of the club advisor as stated in the Club Constitution.
