I. Review agenda and minutes from last meeting/Community building activity
   A. Agenda approved.
   B. 11/20/13 minutes approved with one change to item I-C: add Virginia Marquez from EOPS.
   C. Community building activity: One thing that you are proud of this quarter.

II. Update on SSSP/Welcoming Student Pathways convening
   A. Diana – Convening of the Welcoming Student Pathways – Student Success & Support Programs implementation team.
      1. Campus-wide work group to make sure we conform with all the rules.
      2. There is going to be a public web page about the Student Success Act implementation at De Anza.
      3. There will also be an internal page with resources for those working on the teams.
      4. Documents from the state that will be filtered and distributed.
      5. Basic goal is that there needs to be a plan developed by April 2014 that includes how to address the different requirements of the Student Success Act.
      6. The plan will be consistent and in line with the Equity Plan, Program Review and Accreditation Self Study.
   B. Rowena – shared background on how the SSSP has transitioned into Welcoming Student Pathways and how the committee was formed.

III. Subcommittee work: Re-envisioning Entry, Welcome Across the Disciplines, Pathways Website
   A. Reconvene into subcommittees.
      1. Mission is to get one concrete task accomplished right now.
      2. Talked with Cynthia Kaufman – Proposals for Partners in Learning deadline has past. However, if we do the survey monkey right now and submit a proposal, they will accept and look at it.
   B. Re-Envisioning Entry
      1. Seeing if the Distance money might have some grant potential to use for online orientations.
   C. Pathways Website
      1. Julie will work on web governance strategies to be vetted through appropriate groups.
      2. In Winter, getting some student and faculty focus groups about the website.
      3. Look at redesigning the website building it on the Welcoming Student Pathways.
   D. Welcome Across the Disciplines
      1. Sent a calendar invitation to Mallory and Kathleen to brainstorm on how instructors can get data on students in their classes.
      2. Submitted a request for another Partners in Learning workshop.

IV. Send off for Pat Weinberg
   A. Acknowledgements given by committee members on all of Pat’s great work. Not only for her involvement with DARE, but also in Assessment and across campus.
   B. Best wishes to Pat on her retirement.
