Public Comments
Please note: Members of the public are limited to two minutes. The Senate cannot take action or respond to items during public comments.

- Jonathan: The health office is conducting flu shots beginning next week and the following week. Brings it up because he would like the DASB to help promote this as it’s a great way to promote the DASB card as you need one to get the shot. It also benefits the school body because many students ignore their health in college. It will be Wednesday and Thursday next week from 9am to 3pm and November 5 and 6 from 9am to 3pm the week after.

Burning Issues

- Kurt Pham: When we post the agendas and minutes for all the internal committees it looks unprofessional. Thinks we should get clipboards for them.
- Jimmy Chim: Bought cases of water bottles, but a case is already half gone before the event. If you seen a sign that says do not drink, do not drink.
