Public Comments
Please note: Members of the public are limited to two minutes. The Senate cannot take action or respond to items during public comments.

- Anson Lai: Apologized for the inaccuracies in the La Voz article he wrote regarding the budget.

Burning Issues

- Mo Shirazi: There have been a lot of rumors of him resigning. Tired of having people just end discussion and people not listening to each other. Wants people to listen to each other and to respect what is being said.
- Terell Sterling: Please make sure you close the door to the senate office. Things have turned up missing over the last couple weeks. Turn the lights off if no one is in there as well. And also please be careful what you say as you do represent DASB in all facets of your life. Please take a proactive approach to make sure what you say and take a stance on is something the Senate has officially taken a stance on. Prospective Junior Senators are required to sign in and be here within the first 20 minutes of the meeting starting and to remain for the whole meeting. If you leave early your meeting will not count.
