Approval of Minutes  
Wednesday, February 25, 2009

Yoshie Takeuchi moved to approve the minutes of Wednesday, February 25, 2009 as presented. Yujin Yoshimura seconded. Motion to approve the minutes of Wednesday, February 25, 2009 as presented was passed by consensus.

Public Comments  
Please note: Members of the public are limited to two minutes. The Senate cannot take action or respond to items during public comments.

- Jimmy Chim: Introducing a new class called Speech 60, facilitating collaborative communication. It’s only offered during the Spring Quarter. Instructor is working with the city of Cupertino to facilitate an event to give students a chance to put theory into practice.

Burning Issues

- Jay Lu: Last week made a terrible decision when he was not thinking clearly. Apologized to Minseon for putting the consent calendar item on that requested her removal.
- Christine Tran: Got a message from a student during the student forum that the person thinks that DASB does not spend their money wisely.
- Amir Pourshafiee: Doesn’t know if you’ve seen the La Voz ad, but they have paraphrased incorrectly. Need to tell La Voz to be more accurate with what they’re writing.
- Karthi Kumar: Not sure how long this meeting is going to last so is passing out the sign up sheet for Cross-Cultural Day. If you sign up please show up.
- Jonathan Mai: Notices that a lot are hesitant to participate in the rally and if it’s a problem with your professor he is willing to speak personally to your professors to let you out of class so you can attend. If you need help please email him.
- Karthi Kumar: Would like to see other senators besides the executives helping out the DEBT committee. Please come help out.
- Valery Nguyen: Sent an email earlier today. He noticed that some have not attended their external committee. If you did not attend it is one absence. Hopes that no one is the kind of person who joined the senate just to get the priority registration.
- Yujin Yoshimura: First off he’s sorry for resigning. Second, if you accumulate three absences this quarter then you are subject to being removed at the first meeting of next quarter.
• Terell Sterling: Knows that there’s been a lot quarrels within the senate in regards to
the march. We represent the students of De Anza College. We represent a voice that
is not always heard or listened to. Wants people to put aside their personal biases so
that the will of the students can be presented. To simply walk away from a rally
because we did not get “the short end of the stick” sends a bad message. We
represent students who work hard to be there. If you feel that you cannot stand
behind something that students and faculty of the school support then you should not
be here. You guys are doing such great work, each individual here, but it’s
imperative that you’re dedicating your time for the will of the students and not your
own. Also wants to address the Mr. and Mrs. De Anza. There are things that we do
that are looked at by the general student body. This has been brought up in every
speech class about how degrading the contest is. Understands that it was not
designed to be a sexist, but we cannot allow things like this to continue. Holds those
involved with the contest not at fault, but please let’s learn from this and let it be
“business as usual”. Let’s turn things around and have a better reputation with the
students as we have with the faculty. If he does not have your assignment to talk to
three people about the march, get their names, and a picture by Friday, March 6, 2009
at 3:00pm you will get two absences and your name will be on the agenda for
removal next week.
