Christine Tran: Informational report missing, curriculum committee meets every Tuesday at 2 to discuss courses offered at De Anza.

Public Comments
Please note: Members of the public are limited to two minutes. The Senate cannot take action or respond to items during public comments.

• Stacie Miller: Diwali was postponed until next week. All who volunteered to help, it has been moved to Wednesday, October 21, 2009.

Burning Issues

• Wayne Spalding: Received an email from academy of independent film makers. It mentioned DASB as a supporter and does not remember DASB officially supporting the project.
• Eric Li: please don’t do your homework doing the meeting time. Also no food in the office. Would like to do the seating arrangement we had in the summer.
• John Yan: Please bring your DASB shirt with you who will be going to the CCCSAA conference.
• Bobo Teo: Had a call earlier from Yujin, he feels that we are not representing the students because we are not going to the external committees.
• April Seo: We keep running out of printing almost every day. The printing is only for DASB printing, do not print out your homework or homework for your friends.
• Jorj Cheko: Been hearing a lot of talk from the Senators that they forgot to go to their external committee meetings and that “Josh will just excuse it.” Make sure you go to your external committee meetings to represent the students. Also, read every single code for the Senate. These are the rules and guidelines you have to follow within the Senate.
• Josh Chou: There are a lot of clocking in and out problems. Not everyone is clocking out. And people who have problems with their class schedules, you need to talk to your teachers because these meetings will run as long as they have to. Will start giving out half absences for people leaving early.
• Mo Shirazi: He heard a lot of absences at the beginning of this meeting. Marlo started on time. If you’re going to be late, you need to talk to Josh about it.
