**Burning Issues**
Henna stated she would like to establish quarterly goals for the finance committee, as the budget forms are due in November. Also, she would like to become thoroughly familiar with the Finance code and communicate responsibilities of the finance committee through a meeting. Dennis Shannakian stated information about special allocations and the budget process could be spread through the use of a voicemail “phone tree”, or memos going out to all of the mailboxes.

Nadine Foster-Mahar suggested a cell phone drive for domestic violence. Refurbished cell phones would be donated to those in domestic violence programs. This project requires DASB send out an “RFP” to cell phone providers, which contains stipulations and qualifications of the donee’s phone contract: % bill paid by DASB, cancellation terms. Then the companies would reply with counter-proposals or revisions to the contract for DASB to approve.

**Announcements/Informational Reports**
Future Budget and Finance meetings will be held Fridays at 10:00 am in the Santa Cruz room.

**Adjournment**
Henna Khan adjourned the meeting at 10:25 am.
