**Burning Issues**

John Cognetta: The Budget and Finance Committee should know their budget better. Senators should practice clearer speech so not to confuse those with financial requests.

Sanjeet Heyer: There might be a possible change in the budget deliberations due to an emergency involving going out of town. It would be good to also have the budget workshop right before the first budget deliberation.

**Announcements/Informational Reports**

- Anna Callahan: December 7th and December 21st will be the two meeting dates for the Senate and they are mandatory.
- Lisa Kirk: The Capital account should be allocated by the end of Winter Quarter.
