Endorsements are not valid until they have been posted at www.deanza.edu/dasb/elections/endorsements.html

Please complete this form and submit it to the Office of College Life PRIOR to public endorsement announcement of candidates.

Endorsements will only be valid when all of the following circumstances are satisfied:

1. No candidate affected by such endorsement, including candidates running in association with the candidate seeking endorsement, may vote on the endorsement.
2. Endorsement will only be valid with a legal vote of the club, organization, or association as deemed by that group's bylaws/constitution.
3. A legal vote of a club, organization, or association includes adhering to definitions of voting members and quorum and shall later be verified.

Only Students/Student Groups may endorse candidates/positions in the Student Elections. As with all official club business endorsements may only be made at official club meetings with quorum present.
