

EOPS Book Voucher Criteria for Winter 2012

Book voucher awards are subject to fund availability. The criteria are reviewed each quarter.

To be eligible to receive a book voucher in Winter Quarter, 2012, students **must have complied with minimum program participation requirements** and must have:

- no more than one "no-show" for counseling/academic appointments during Fall Quarter 2011
- returned any books for classes they dropped in Fall Quarter, either to the college bookstore or to EOPS
- returned any calculator borrowed in Fall Quarter
- completed the registration check process
- registered for twelve or more units for Winter Quarter

Students who have not adhered to the above criteria will not receive a book voucher.

Students on probation status will be considered for a book voucher on a case by case basis after meeting with a counselor no later than the second week of the quarter. Students on extended probation will not receive a book voucher.

All book voucher purchases are audited each quarter. Any violations of the terms and conditions will result in disqualification from receiving future book vouchers.
