# Environmental Studies 1

## Strategies for Success

- Do you have all the class materials?
- Have you reviewed the course syllabus?
- Have you looked through your Student Packet?
- What do you think of Miller's textbook?
- Are you coming to class prepared?
  - Distance Learning courses require planning & discipline

# Journal Guidelines

- Your name must be clearly printed on the front cover of your journal! Available every class along with your text!
- 3 sections to your journal:
  - Front section: Discussion Section (each teleclass)
  - Middle section: Weekly speakers summaries
  - Back section: Homework Section including your Student Action Plan and Field Trip Worksheet
    - Homework may be handwritten on homework sheets and stapled into journal or you may write directly in journal - but include questions!
