

N 84 Reading/Prep List

→ Readings/prep need to be completed prior to that week's class session!

Required texts:

Touhy, T & Jett, K. (2011). Ebersole and Hess' *Toward Healthy Aging* (8th ed.). Mosby: St. Louis.

Lewis, et al. (2011). *Medical-Surgical Nursing* (7th ed.). Mosby: St. Louis.

Note: some readings are “review as needed” only – read it if you need it!

Articles (required reading): Can be found in the N84 binder in Resource Room.

Recommended text: Any pathophysiology text

Videos: available in Resource Room; highly recommended

AJN Web Videos: Are optional but HIGHLY recommended, and are provided for students who learn best by auditory and/or visual experiences, and/or by less formally written articles. Each video has a companion article that can be read to enhance the material. Videos and accompanying articles are used with permission from AJN. The site for all videos and articles is:

www.nursingcenter.com/AJNolderadults

Click “How to Try This” and scroll down for the list of videos and articles

If you are asked for your “email ID,” enter your email address. If you are sent to a survey page, go back a page to proceed.

To access a written article, ignore the CE prices, etc. and click “Printer Friendly Version” or “PDF Version.” These are FREE!

MedlinePlus Web Tutorials: Are optional and are provided for students who learn best by auditory and/or kinesthetic experiences. These tutorials are used with permission from the Patient Education Institute. The URL for all MedlinePlus Tutorials is:

http://www.nlm.nih.gov/medlineplus/tutorials/

Some good nursing newsletters (for reference only, not required):

- * Medscape Nursing: medscape.com
- * Nursing Insider from the ANA: nursingworld.org
- * NursingWorld: nursingworld.com
- * Nursing 2011 eNews: nursing2011.com
- * RNeNews: RNWeb.com

Some other good sites (for reference only, not required):

- *ConsultGeriRN.org
- *Geriatricnursing.org
- *Harfordign.org/
- *nurseweb.ucsf.edu/www/hcgne.htm

WEEK-BY-WEEK READING/PREPARATION:

KEY:

T = Touhy, et al. (Toward Healthy Aging, 8th ed)

L = Lewis, et al. (Med-Surg text, 8th ed)

Week 1 Framework, factors related to aging, age-related changes

T Ch. 1, pages 1-17

T Ch. 4, pages 44-60

T Ch. 2, pages 21-30

T Ch. 21, pages 409-423

Video: New Images of Aging (Resource Room)

Week 2 Assessment, culture, theories of aging

T Ch. 3, pages 33-40

T Ch. 5, pages 62-78

T Ch. 6, pages 82-83 (ageism)

T Ch. 7, pages 107-115

T Ch. 8, 118-130

L Ch. 5, pages 62-68

Video: Assessment of the Frail Elder (Resource Room)

Week 4 Age-related changes and health deviations related to AIR and FOOD

T Ch. 15, pages 288-282 (COPD) AND pages 286-288 (GI)

T Ch. 14, pages 240-262

T Ch. 4, pages 50-52 (Resp.) AND pages 53-54 (GI) (review)

L Ch. 29, pages 610-631

L Ch. 26 (review as needed)

L Ch. 42, pages 971-977

L Ch. 39 (review as needed)

Article: Mays, D. *Turn ABG's into child's play*. RN, 1/95 (Resource Rm).

MedlinePlus: COPD, Bronchoscopy, GERD, Upper GI Endoscopy, Weight Management, Asthma, Colonoscopy, Barium Enema, Smoking

AJN videos: Assessing Nutrition, Preventing Aspiration

Week 5 Age-related changes and health deviations related to WATER and abnormal cell: Lymphoma

L	Ch. 34, pages 760-777	T	Ch. 4, pages 49-50 (review)
L	Ch. 35, pages 797-815	T	Ch. 15, pages 268-276
T	Ch. 8, pages 126-129 (review)	T	Ch. 12, pages 286-288 (GI disorders)
L	Ch. 31, pages 699-703	L	Ch. 32 (review as needed)

MedlinePlus: CHF, Atrial Fibrillation, Arrhythmias, Echocardiogram, CABG, Angina, Heart Attack, Pacemakers, Hypertension, Managing Cholesterol, Warfarin Heart Valve Replacement

Week 6 Age-related changes and health deviations related to abnormal cell: Breast Cancer

L Ch. 52, pages 1306-1324

MedlinePlus: Breast Cancer, Breast Biopsy, Mammogram

Week 7 Age-related changes and health deviations related to ELIMINATION

L	Ch. 55, pages 1377-1393	T	Ch. 4, page 52 (review)
T	Ch. 8, pages 125, 127-128 (review)	T	Ch. 11, pages 164-179
T	Ch. 15, 298 (Urol Disorders)	L	Ch. 45 (review as needed)

MedlinePlus: Prostate Cancer, TURP, Cystoscopy, Low Testosterone

AJN videos: Transient Urinary Incontinence

Week 8 Age-related changes and health deviations related to ACTIVITY & REST

T	Ch. 12, pages 200-207	T	Ch. 4, pages 48-49 (review)
T	Ch. 15, pages 279-281, 292-298	T	Ch. 17, pages 323-336
T	Ch. 11 page 179-183 (sleep), 193-195 (feet)		
L	Ch. 63, pages 1590-1608	L	Ch. 9, pages 112-120, 122-123
L	Ch. 62 (review as needed)	L	Ch. 59, pages 1506-1510

MedlinePlus: Fractures & Sprains, Hip replacement, Bone Densitometry, Arthritis, Osteoarthritis, Rheumatoid Arthritis, Osteoporosis, Muscles, Parkinson's Disease, Pallidotomy, Exercising for a Healthy Life, Sleep Disorders
