Social Networking Review

Due Date: Wednesday, March 7th

Directions: Please post your answers to these questions in the forum marked “Social Networking Review.” Please use complete sentences. Thanks! 😊

Your Task: You will be reviewing a social networking site. Use the list below for ideas or choose another one that you use on a regular basis.

- Facebook
- Twitter
- Myspace
- Foursquare
- Google+
- Tumblr
- Yelp
- Flickr

Now that you’ve chosen what social networking site you want to review, answer the following questions!

QUESTIONS
1. What is the name of the website? Write a link.

2. What is the purpose of the site?

3. What are noticeable features of this site (Is there a discussion board? Do people upload pictures of themselves?)

4. Who do you think the intended audience is and why?

5. How might this website have positive effects on users? Negative effects?

6. Do you think this website effectively “brings people together” or does it promote social isolation, and why?

7. Does the site offer you the ability to protect your privacy or be anonymous? If so, how? If not, why?

8. Do you think this social network is a real community? If so, what aspects of a real community does it have?
