Each group will be presenting on the part of the novel, *To Kill a Mockingbird*. Groups will be graded on cohesion/cooperation, content, organization, clarity, and preparedness. Each member needs to choose one of the subsections to present on. The total time for the group to present is 25 minutes. Each person needs to talk for at least 3 minutes. In addition, the group needs to create 5 discussion questions about the novel.

**Themes**
What are two themes that you see in this section? What evidence is shown in the novel to support the themes?

**Characters**
Who are the main characters? What are they like? How have they changed? What are their motivations? What do you think will happen to them next? Remember, you should be focusing on your section when answering these questions.

**Plot**
What are the pivotal conflicts in this section of the novel? Why? What do you think it is setting you up for next?

**Symbolism**
In every piece of fiction, the author uses different words, images, and ideas to represent other things. Find two symbols in your section and explain what the author is representing with them.

For the fifth item, each group has a different one.
Group 1 – Author
Group 2 – Setting/time
Group 3 – “The South”
Group 4 – Jim Crow Laws
Group 5 – KKK
Group 6 – Democracy

Each group will hand in a packet to me before presenting with answers and presentation content, along with any other outside sources that were used in creating the presentation.
