

Questions for Tanner, “Why I Won’t Hurt Your Felines”

- 1) Tanner claims that there are four separate ways in which we can be cruel to animals. What are these four types?
- 2) Tanner argues that cats can feel pain. How does she argue for this claim?
- 3) (According to Tanner’s interpretation) Why do philosophers like Kant and Rawls think it’s wrong to be cruel to animals?
- 4) Why does Tanner reject this view?
