

## Continuing Education Test

To gain 4 hours of continuing education please complete the following test and submit with evaluation to:

**Patricia A. Williams, R.N., M.S.N., CCRN**

**Nursing Instructor**

[PatriciaWilliamsRN@Yahoo.com](mailto:PatriciaWilliamsRN@Yahoo.com)

**Note:** May only be taken once for credit.

1. Name 3 characteristics of an adult learner. Describe how the adult learner might be treated differently in a preceptorship relationship.
2. List the “Five levels of Proficiency” for nurses described by Dr. Benner. Describe one characteristic for each level of proficiency. Which level of proficiency might be best suited for being a preceptor? Why?
3. List 3 benefits for the student and/or preceptor engaged in a prelicensure preceptorship.
4. List 4 “hints” for providing constructive criticism. Which “hint” do you find the most difficult to do? Easiest to do?

Please complete the following information. I will email you Continuing Education certificate to you.
