The U.S. Department of Education (DOE) is concerned that you have an Unusual Enrollment History (UEH). UEH means the student might be attending an institution just long enough to receive (Title IV) federal student aid funds, leaves without completing the enrollment period, enrolls at another institution, and repeats the pattern of attending just long enough to collect Title IV funds without having earned any academic credits. This form will determine your eligibility for additional Title IV funds.

Please list below **all** institutions/universities attended during award years **2013-2014, 2014-2015, 2015-2016, and 2016-2017**. Please attach **all** academic transcripts (unofficial or official) for **all** institutions listed. If your only enrollment was at Foothill or De Anza Colleges, check with the Financial Aid Office to determine whether or not you need to complete this step.

College or University Name	Enrollment Period (Semester, Quarter)	Number of Units/Credits Attempted/Enrolled	Number of Units/Credits Completed/Earned
<i>Example: ABC College</i>	<i>Fall 2014</i>	<i>12</i>	<i>0</i>
