**For those of you who have not noticed . . .**

Construction on the new parking structure is well underway. The frontage road in front of Lot C will continue to be “One Way Only” from the Pepper Tree Entrance to the McClellan Road entrance. Limited parking will be allowed along this stretch of the frontage road. This should only affect customer parking and those of you who need additional parking spaces for multiple vehicles. NOTE: If you park in any location other than the Flea Market (Lots A and B), you will need to purchase a parking permit. This includes the newly created frontage road parking. The parking garage is expected to be open this October.

**Where do I park My Vehicle????**

Normally you need to park your vehicle in your assigned selling area. If you unload and move your vehicle, it must be OUT OF the Flea Market Selling Area in an approved parking lot with a paid parking permit ($5.00 from the parking attendant, not the machine). Do Not take up another space in the Flea Market unless you have paid for that selling area.

**I Can’t Find the Guy Selling the White Socks, HELP ME PLEASE**

Help yourself and your customers locate your selling areas. Direct them to our web site. We have vendor listings by name, business and by type of merchandise, as well as the map. We also have these listings at the Info Booth of each Flea Market. We usually update these listings on Friday prior to the market. Shoppers can print out a map and listings to bring with them on Saturday. Do you have suggestions to make our web site better? Feel free to make suggestions.

**REMEMDER, “Pack It In, Pack It Out”**

There are no garbage, trash or recycling services for vendors. Vendors are required to pack out ALL unsold items, trash, garbage, food items, boxes, etc. Fines and/or lock-out will result for violations.

**POST YOUR ENTRY TICKET IN PLAIN VIEW AT YOUR SELLING AREA**

This is important, as our staff must verify that you are in the correct selling area. This can easily be accomplished by you using tape, string, wire, etc. to attach your selling ticket in clear view.
How Far Can I Set Up My Merchandise??????
Some of you are exceeding the size of your selling area. The selling area is 15 feet by 15 feet. If you extend forward beyond the parking stripes you are beyond the selling area. For example, take an imaginary straight line from the parking stripe from the left side to the right side of your assigned selling area. If you extend beyond this imaginary line, into the pedestrian area, then you have exceeded your selling area. We need to keep this area wide enough for emergency access and pedestrian traffic. NOTE: At all times, the number must be in complete, unobstructed view, free from any merchandise. Vendors who are exceeding their selling areas will be asked to pull their displays; merchandise, etc. back to the appropriate areas.

This is not the Indianapolis Speed Way
We are asking all vendors to be especially careful while driving in the Flea Market areas. Vendors are reminded not to leave until well after 2:00 pm. If you park your vehicle outside the Market area, we ask that you pack your items before you bring the vehicle in (after 2:00 pm), and do not block other vendor stalls with your vehicle.

Support Our Clubs
Volunteers from the Civic Heroes, De Anza Business Leaders, De Anza Fencing Troupe, De Anza Science and Engineering Association and Habesha clubs are staffing this month’s drink stands, and The Forseti Federation is staffing the hamburger stand. Satisfy your hunger and quench your thirst while donating to a good cause. www.deanza.edu/clubs

On-Campus Vending
There is still space available for vending on the De Anza College Campus during the Spring Quarter. For more information please visit us on the web at www.deanza.edu/studentactivities/vending or contact Dennis Shannakian at (408) 864-8757.
