POST YOUR ENTRY TICKET AND SELLER’S PERMIT IN PLAIN VIEW AT YOUR SELLING AREA
This is important, as our staff must verify that you are in the correct selling area. This can easily be accomplished by using tape, string, wire, etc. to attach your selling ticket and seller’s permit in clear view. We now must also require that you display your seller’s permit pursuant to state code Section 6067 (Issuance and Display of Permit). “…A permit is not assignable and is valid only for the person whose name it is issued and for the transaction of business at the place designated therein. It shall at all times be conspicuously displayed at the place for which issued.”

MERCHANDISE LOADING AND PICKUP
Now that the new parking garage (Lot C) is open we are asking merchandise to be delivered there for customer pickup. At no time may customers park and/or leave their vehicles on the perimeter road. This is a violation of fire code, and vehicles will be cited. If merchandise is at the perimeter road AND ready for pickup, only then may vehicles stop, load and go.

REMINDER “PACK IT IN PACK IT OUT”
In an effort to keep your registration fees low, we require all vendors to pack out all trash, boxes, unsold items, etc. PLEASE DO NOT USE ANY GARBAGE CANS OR DEBRIS BOXES ON CAMPUS FOR ANYTHING. Garbage cans are intended for customer food related disposal only. Cleanup charges rise dramatically for extra cleanup efforts. SO PLEASE PACK OUT ALL YOUR UNSOLD ITEMS, GARBAGE AND TRASH.

NEW CONTRACTS
For those of you who wish to establish a new contract, the application period begins on November 15 and will continue until sold out. The contract application is on our web site, available at our office, and at the information booth today. Please note there are a limited number of contract spaces available.
PLANTING AREAS
At no time shall any vendor place displays or merchandise on any planting area. Even though it may now just be a dirt area or in some cases young plants, we have an agreement with the College that we will leave these areas free and clear of any Flea Market vendor or food vendor. Again, those who have set up in any dirt area will be asked to remove their display.

SUPPORT OUR CLUBS
Volunteers from the “23”, Auto Tech, and Mathematics clubs are staffing this month’s drink stands, and The Forseti Federation club is staffing the hamburger stand. Satisfy your hunger and quench your thirst while donating to a good cause. www.deanza.edu/clubs

HOW FAR CAN I SET UP MY MERCHANDISE?????
Some of you are exceeding the size of your selling area. If you extend forward beyond the parking stripes you are beyond the selling area and will be asked to pull your displays, merchandise, etc. back to the appropriate areas. Please do not set up in the dirt areas (end caps) (See PLANTING AREAS).

ON-CAMPUS VENDING
There is space available for vending on the De Anza College Campus. For more information please visit us on the web at www.deanza.edu/studentactivities/vending or contact Dennis Shannakian at (408) 864-8757.
