REMINDER “PACK IT IN PACK IT OUT”
In an effort to keep your registration fees low, we require all vendors to pack out all their trash, garbage, boxes, unsold items, etc. Garbage, trash and recycle services are not provided for vendors. PLEASE DO NOT USE ANY GARBAGE CANS OR DEBRIS BOXES ON CAMPUS FOR ANYTHING. Garbage cans are intended for customer food related disposal only. Leave your vendor space and the rest of the campus as clean as you found it. Clean-up charges rise dramatically for extra clean-up efforts. SO PLEASE PACK OUT ALL YOUR TRASH, GARBAGE, BOXES and UNSOLD ITEMS. Failure to comply may result in fines and/or lockout.

VEHICLE TRAFFIC
Vendors may enter the vendor selling areas from 5:30 AM until 7:30 AM. Lots are closed to in-and-out traffic between 7:30 AM and 2:00 PM. No vehicle traffic allowed within the vendor selling areas between 7:30 AM and 2:00 PM. Vendors needing to leave prior to 2:00 PM must first get permission from the Information Booth and get a walking escort if available. All vehicles must be offsite by 6:00 PM or you will be charged a late departure fee.

Where do I park My Vehicle????
Normally you need to park your vehicle in your assigned selling area. If you unload and move your vehicle, it must be OUT OF the Flea Market Selling Area in an approved parking lot with a paid parking permit ($5.00 from the parking attendant, not the machine). Do Not take up another space in the Flea Market unless you have paid for that selling area.
HOW FAR CAN I SET UP MY MERCHANDISE?????
Some of you are exceeding the size of your selling area. If you extend forward beyond the parking stripes you are beyond the selling area and will be asked to pull your displays, merchandise, etc. back to the appropriate areas. Please do not set up in the dirt areas (end caps/planting areas).

SUPPORT OUR CLUBS
Volunteers from the Chi Alpha Christian Fellowship and International Student Volunteers clubs are staffing this month’s drink stands. Quench your thirst while donating to a good cause.
