SSRS is currently in the process of assessing the following 6 SSLO statements in conjunction with the College's office of Institutional Research and Planning. #1. Have counselors or advisors available to meet with Program participants on a "drop-in" basis to address any immediate needs or concerns? #2. All Program participants will have quarterly updated Educational Plans that support their identified educational objectives. #3. All Program participants will meet with a counselor or advisor at least once a quarter. #4. All Program participants will complete a HUMA 20 "Life skills in Higher Education" course within their 1st two quarters of enrollment at De Anza College. #5. All Program participants will emphasize completion of basic skills course sequences in Language Arts and/or Math during their first year of enrollment. #6 All Program participants will receive multicultural counseling and advisement services. We are utilizing a "Feedback Survey" which is filled out online after Program participants meet with a counselor or advisor.

Five SSRS counselors, three of whom are Program Coordinators, one advisor and the SSRS Administrative Assistant

Briefly summarize each of your 2010-11 SSLOAC results
