*SSLOAC = a complete SSLO Assessment Cycle includes writing an SSLO, assessing the SSLO, reflecting on the results/process, and planning enhancements to improve student learning/achievement.

SSLOAC Discussion and Analysis: Summarize the discussions and analyses of your program/departments’ SSLOAC results.

During the 2009/10 academic year, the Career Center addressed the following Student Services Learning Outcome (SSLO): As a result of visiting the Career Center, students will be able to identify at least one relevant resource for obtaining college major and/or occupational information. SSLO attainment was assessed using a survey which was available for students to complete as they signed out of the Career Center. All told, 112 visitors to the Career Center completed the survey. Overall, we were very pleased with the results of this survey. The overwhelming majority of visitors (98.2%) found at least one useful resource while visiting the Career Center. The fact that 110 out of 112 visitors were able to find at least one relevant resource for obtaining college major and/or occupational information is a strong indication of the usefulness of our resources. We also found it interesting to note the breakdown of the resources the visitors found helpful. Almost 60% of the visitors to the Career Center responded they found the job binders helpful. The second highest-scoring resource was the Career Center staff with 47% of the responses...
Suggestions for the SSLOAC Discussion & Analysis (above):

- Detailed data supporting some or all of the statistics collected.
- Patterns that emerge or are confirmed when SSLO data are viewed, either alone or in combination with other data (such as student success or retention rates) at the program level.
- What your goals were for any 'benchmark' percentages and whether you achieved those goals.
- Evidence of value derived from the SSLOAC process within your program.
- Some of the challenges your staff and faculty continue to face in attempting to hit your program goals with respect to SSLO.

If enhancements/improvements that you have just identified can be implemented within your program or division’s currently existing structures and allocated resources, then consider this update form complete and submit to Jim Haynes (haynesjim@deanza.edu). If ADDITIONAL resources are needed through the Student Services Planning and Budgeting process, then complete Section IV. (below).
