DE ANZA COLLEGE HONORS PROGRAM INFORMATION SHEET

The De Anza College Honors Program is an interdisciplinary learning community for students who enjoy pursuing advanced study, participating in small classes, making connections between disciplines, and collaborating closely with faculty and other students. We seek students who are eager to explore ideas and to take risks.

Honors General Education courses which meet IGETC transfer requirements are offered each quarter and are, in many cases, linked in interdisciplinary clusters. The Honors Program is most appropriate for students who need a minimum of six General Education courses.

PROGRAM GOALS:

1. To challenge students to achieve their intellectual potential.
2. To improve students' critical thinking, writing, and discussion skills.
3. To help students understand the connections between disciplines.
4. To encourage closer interaction between the students and the instructor.
5. To support timely and appropriate student transfer objectives.

STUDENT BENEFITS:

1. Honors sections of General Education courses that parallel university freshman and sophomore classes.
2. Small classes which elicit thought-provoking discussions or cohorts of Honors students (within larger classes) who work closely with the professor.
3. Linked interdisciplinary classes that reflect the collaboration of faculty in different disciplines who are committed to high standards of teaching and learning.
4. Priority registration to ensure enrollment in desired classes.
5. Honors recognition on transcripts to indicate achievement to transfer universities.
6. Academic and career counseling opportunities available only to Honors students.
7. Participation in special events and discussions for the Honors community.
8. Completion of 6 Honors courses will earn an "Honors Scholar" Designation on the student's transcript. Students who complete fewer than 6 Honors courses will not receive an Honors designation on the entire transcript, but any courses taken as Honors will receive an Honors designation. **Students are still encouraged to apply even if they cannot fulfill all 6 courses before graduation from De Anza College.**
