

# Health Verification Form

## IMMUNIZATIONS AND TB SCREENING

**REQUIRED OF ALL F-1 VISA INTERNATIONAL STUDENTS**

All students who are attending De Anza College for the first time, **must** provide the International Student Programs (ISP) office with written documentation of TB (Tuberculosis) test and **immunization of MMR (Measles, Mumps, Rubella) 2 doses required**. If a TB test is positive (measuring higher than 9mm), then **proof of chest x-ray** is also required. Submit these proofs during Orientation or to the ISP office.

**Failing to submit this form with attached proofs will result in a registration HOLD!**

- Complete the student's information section.
- Have your doctor complete the Immunization & TB test section **and** attach medical records as proofs.
