Subject: Out of State Students Enrolled in Online Courses

Students enrolled in Winter 2013 in courses ending with 'Z' who had an address with an out of state postal code were identified.

This resulted in the following findings:

- 8 students enrolled in an online course with an out of state postal code
- 3 students were enrolled only in online courses
- 5 Students were enrolled in both face-to-face and online courses
- 0 of the out of state students who were enrolled in online courses were receiving financial aid
