The accompanying report provides the success rates of students enrolled in ESL 253, ESL 273, EWRT 200, EWRT 211, READ 200, READ 211. Prior to the restructuring of the Student Success Center, students enrolled in these courses were required to enroll in a co-requisite Readiness course (ESL 253 + ESL 225, ESL 273 + ESL 226, EWRT 200 + EWRT 201, EWRT 211 + EWRT 212, READ 200 + READ 202, READ 211 + READ 212). As part of the restructuring, the co-requisite courses were no longer offered in 2010-11.

The courses offered in the summer, fall, winter, and spring terms of 2009-10 were compared to the same courses offered in 2010-11. Success is defined as students who receive an A, B, C, or P grade. Non success is D, F, NP, or I grades. Withdraw are W grades. The attached report provides the full analysis of success rates.
