

Linda, in 2004F, 2005W, 2005S, 2005M there were 847 Liberal Arts AND University Transfer students at De Anza granted an AA.

Of the 847, 438 (52%) enrolled in a distance learning section (ending in Z) at some point in their academic career at De Anza (going back to 1994). 250 of th 438 took 2 or more distance learning sections.

> Do you have statistics on the number of students who graduate from De Anza's Liberal Studies program who have also taken distance education courses. The Distance Learning Center is currently working with Chico State on articulation of a 2+2 degree in Liberal Studes through distance learning. Chico would like these statistics to to present to the Dean who will be supporting the program.
