

De Anza College Early Alert Program 2007-08 (Fall, Winter, Spring)

This analysis looks at sections where at least one student was sent an early alert notice using the web based software. The analysis does not distinguish between students sent an email and students referred to Counseling. "Early Alert Section" students are defined as students in the same section that did not receive an early alert notification.

191 students were sent an early alert notice in 2007-08. This represents about 10% of the students in the 45 sections participating. 75 or 39% of the students received a notice in more than one section. 13 instructors participated in 2007-08
