Academic Year 2008-09, 2009-10

Rt301 Enrollment Spe Status E

This report sums the FTES for a student over the 4 terms of the academic year. It selects the minimum fulltime-partime code for the year, with F for fulltime being the minmum possible. This captures a students status once for the year even though they may have been fulltime one term and partime the next.
