Description : This data is required to be printed in the college's financial aid guide which we are now compiling and need to send to printer Dec. 17.

Description: Using most current data available, please fill in the blanks below:

1. Statewide transfer rate is \_\_\_\_ percent; Foothill transfer rate is \_\_\_\_ percent.
2. Statewide completion rate of career education programs is \_\_\_\_ percent; Foothill rate is \_\_\_\_ percent.
3. Statewide course retention rate is \_\_\_\_ percent; Foothill course retention rate is \_\_\_\_ percent.
4. Statewide rate of students achieving a grade of C or better in a course is \_\_\_\_ percent; Foothill rate is \_\_\_\_ percent.

How is the data going to be used:

The information helps make students aware of the college's reputation / success factors prior to the student committing to signing for a loan for educational expenses.

Financial Impact:

Students may not be able to receive as much as is available if they do not participate in priority filing period.

Late Consequences:

Please, please, please by Friday, Dec. 17. If data not available, the guide will not be printed in time for students to apply for priority period for FAFSA processing.
