

## Major Research Projects for De Anza 2004-05

### Projects Identified as of June 21, 2004

- An analysis of the EWRT portfolio project, comparing student success with the current WAT test.
- An analysis of trends in international student enrollment at both De Anza and Foothill.
- An analysis of dropping and withdraw rates and the efficacy of a new policy limiting the number of course attempts.
- An analysis of the placement exam used for Biology 10 courses.
- Work on assessment of the plus / minus grading policy.
- Support for the Accreditation Self Study.
- Work as a Co-Chair of Self Study team on Institutional Effectiveness.
- Improve upon the tracking of transfer students through the use of the SJSU database and the National Student Clearinghouse data.
- Analysis of the impact of Sunnyvale students to De Anza College.
- Analysis of students on academic probation.
- Assistance with the De Anza Educational Master Plan revision.
- Examination of the success of special program students in COUN100 X (formerly SLAMS and STARS).

### Ongoing

- Student Financial Aid Extracts (Quarterly) and Student Demographic / Success Analyses for Foothill and De Anza.
- Daily extracts (Foothill and De Anza) of Student Registration data used for enrollment comparisons.
- Quarterly international student comparisons for Open Doors Report.
- Ad hoc support for the Planning and Budget Teams.
- Assistance with the State of the College documents and presentations.
- Special program (MPS, LinC, Peunte, OTI) tracking / analyses.
- Tracking of students visiting counselors via the SARS database.
- Assistance with NWI Nursing grant cohort tracking.
- Updating the course success by ethnicity analysis.
- Math 105 degree requirement analysis – continued tracking.
- Tracking of courses that have not run, for Curriculum Committee.
- Tracking Tech Prep students from the high schools.
- Support for the De Anza Diversity Committee.
- Support for the De Anza Budget Office in identifying students that owe balances.
- Reporting enrollment trends in Counseling 100
- Providing information to FH and DA Records Offices on special admit (K-12) student enrollment.
