# Math 1C.09 and Math 1CH.09

Calculus De Anza College Spring 2024

**Instructor:** Dr. Jim Mailhot (pronounced MY-it)

Classroom: G7

**Meeting Times:** TTh 11:00am – 1:15pm

e-Mail: mailhotjames@fhda.edu

Office: E35b

**Office Hours:** MTW 1:25 – 2:15pm, T 10:00 – 10:50am, or by appointment

Textbook: Calculus Early Transcendentals, 9th edition, by James Stewart

## **Student Learning Outcomes:**

• Analyze infinite sequences and series from the perspective of convergence, using correct notation and mathematical precision.

- Apply infinite sequences and series in approximating functions.
- Synthesize and apply vectors, polar coordinate system and parametric representations in solving problems in analytic geometry, including motion in space.

**Grading:** Your grade in this course will be based on homework, quizzes, three midterms and a comprehensive final exam, weighted as follows:

Homework: 10%
Quizzes (lowest score dropped): 15%
3 Midterms: 15% each
Final Exam: 30%

## Grade breakdowns are:

| 92.5% and above: | A   |
|------------------|-----|
| 90 - 92.5%:      | A-  |
| 87.5 - 90%:      | Вн  |
| 82.5 - 87.5%:    | В   |
| 80 - 82.5%:      | B-  |
| 77.5 - 80%:      | C + |
| 70 - 77.5%:      | C   |
| 60 - 70%:        | D   |
| under 60%:       | F   |
|                  |     |

**Homework:** Homework problems from the textbook will be posted in Canvas. Homework from sections covered in class one week will be due the following week. Homework can either be uploaded electronically in Canvas (due Wednesdays at 11:59pm) or handed in on paper in class (due Thursdays at the start of class).

**Quizzes:** There will be periodic in-class quizzes. Your lowest quiz score will be dropped, and the remaining quiz scores will count toward your course grade.

**Exams:** There will be three in-class midterms and a comprehensive final exam. You may bring one 8.5"×11" sheet of hand-written notes (both sides) to exams. Calculators are *not* allowed on exams. Make-up exams will not be given.

#### Extra Credit? No.

**Cheating Policy:** Don't be a cheater. Any student caught cheating on a quiz or an exam will receive zero points on that quiz or exam, and will be reported to the Office of Student Development. The same holds for any student who allows another student to cheat.

**Be courteous** to your fellow students. Please turn off all electronic devices. Anyone who repeatedly disrupts the class may be asked to leave.

## **College Policies:**

- Students can not take the same class more than three times for a grade, including W.
- Late adds and late drops will not be processed.

**Honors:** An Honors cohort is being offered in this section. If you are in the Honors Program you are welcome to participate in the cohort. Please e-mail me if you are interested in taking this class as an Honors class. The Honors cohort entails additional work and you will earn an Honors designation for this class on your transcript. Once you commit to the Honors portion, you will be expected to complete the extra work. Failure to complete the Honors work will result in a lowering of your course grade.

If you are not a member of the Honors Program but think you may be eligible to join, and want to take this class as an Honors class, please e-mail me.

#### **Important Dates:**

Tuesday, April 9 – First class meeting
Friday, April 19 – Last day to add
Saturday, April 20 – Last day to drop with no record
Friday, May 31 – Last day to drop with a 'W'
Thursday, June 20 – Last class meeting
Tuesday, June 25 – Final Exam (11:30am – 1:30pm)

# **Student Learning Outcome(s):**

- Analyze infinite sequences and series from the perspective of convergence, using correct notation and mathematical precision.
- Apply infinite sequences and series in approximating functions.
- Synthesize and apply vectors, polar coordinate system and parametric representations in solving problems in analytic geometry, including motion in space.

# **Office Hours:**

| M,T,V | W01:25 PM | 02:15 PM | In-Person | E35b |
|-------|-----------|----------|-----------|------|
| T     | 10:00 AM  | 10:50 AM | In-Person | E35b |
