# TAKING your Evolve REACH/HESI Exam

**Step 1:** Go to <http://www.hesiinet.com>

**Step 2:** Click on the green "Start taking an exam" button

**Step 3:** Enter your **Evolve Username** and **password** and click on **Login button**

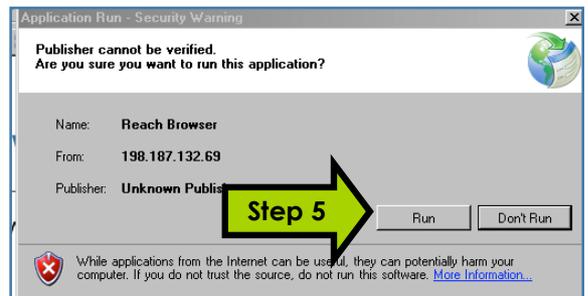

**Step 4:** Enter your **Exam Access Code** and click **Start Exam**

**Step 5:** A pop-up window will appear, asking you to run. Click the "Run" button (Another security warning may appear: click "Run")

- The Reach secure browser will then launch

**Step 6:** Click "continue" on the contributor's list screen  
**Step 7:** Read the process overview, check the box next to "I agree" and click the "Start" button

- You may also enter optional information such as birth date, sex, and race

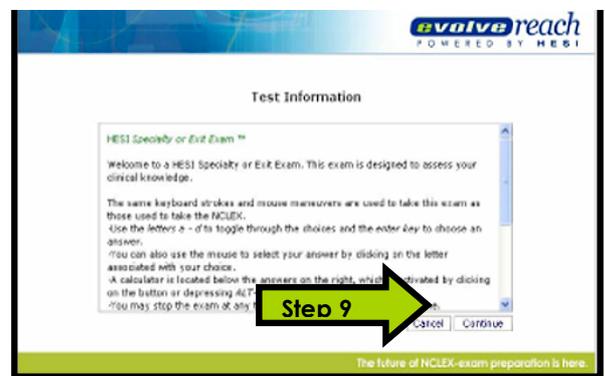

**Step 8:** Click "Take Exam" to begin your exam.

**Step 9:** Read the on-screen instructions and click “Continue”

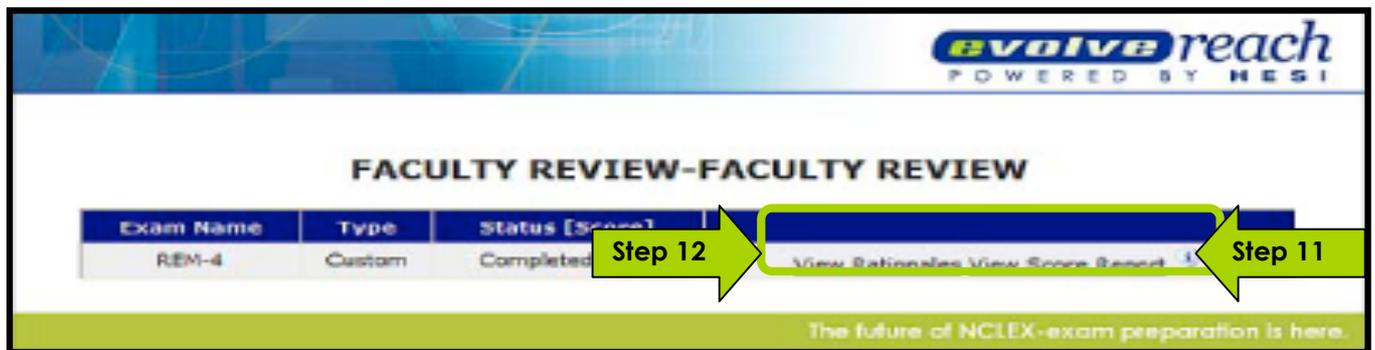

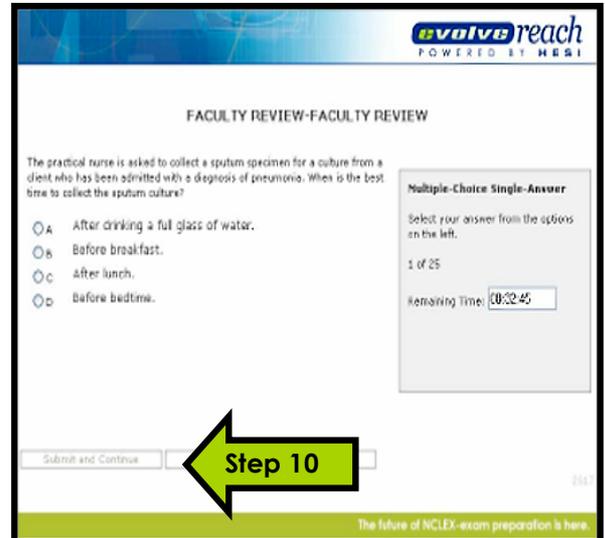

- This will launch the exam
- **Read the instructions** on how to answer the questions
- This is important since you will be required to do the same on the real NCLEX®

**Step 10: Answering questions,** Click the “Submit and Continue” button or press the Enter key to advance to the next question.

**NOTE THE FOLLOWING:**

- You must **answer** each question **before** clicking “Submit and Continue”
- You will **NOT** be able to **return** to a **previous** question, so make sure you have **completely answered** it
- **Unanswered questions** will be marked **wrong** and included in your score.
- You may select your answer by typing the corresponding letter (A, B, C, D) or by selecting the answer with your mouse.
- **Refer** to the **grey box** on the right for more information about the question type and how to answer the test item.

**Step 11:** After you have answered the last question, your exam will be scored. View your score report by clicking “**View Score Report**”. While viewing your report, you may print or save your report.

- **Note:** This feature may be disabled by your instructor.

**Step 12:** You will have the opportunity to review the rationales for the questions you answered incorrectly. Click “**View Rationales**” and click “**Continue**” to advance to the next rationales.

- You can only **view each rationale ONCE** so read it carefully. You will **NOT be able to print** them.
- **Note:** This feature may be disabled by your instructor.

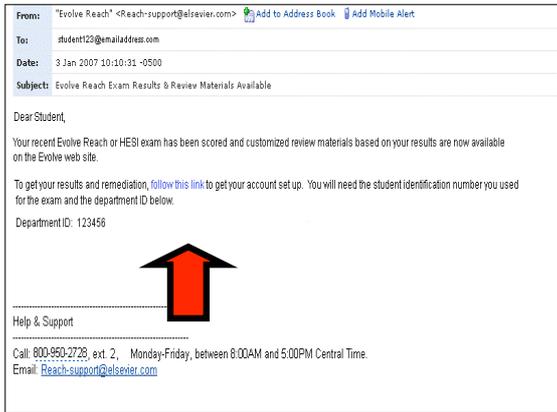

**Step 13:** Click “Exit” on the top right hand corner when you are finished

## Additional Information

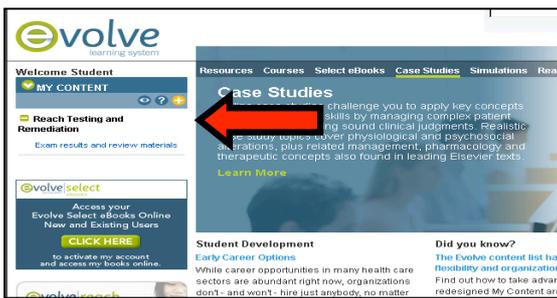

- “\*” on calculator is symbol for multiplying; “/” on calculator is symbol for division
- Be patient: questions might take some time to change and move to the next question
- If you are kicked off the Web site, simply log into the test again. All test information will be saved.

# ACCESSING your Evolve REACH/HESI Exam Remediation & Results

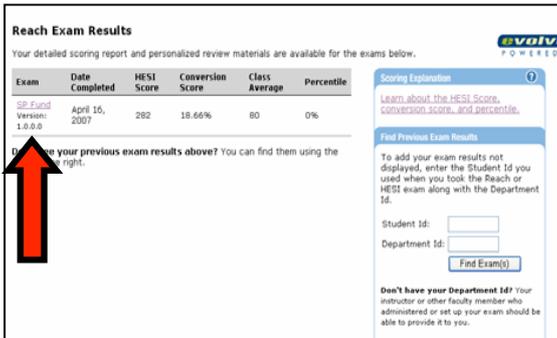

After the **first** exam, in about 2 or 3 days, you will receive the email below if you don't then do the following:

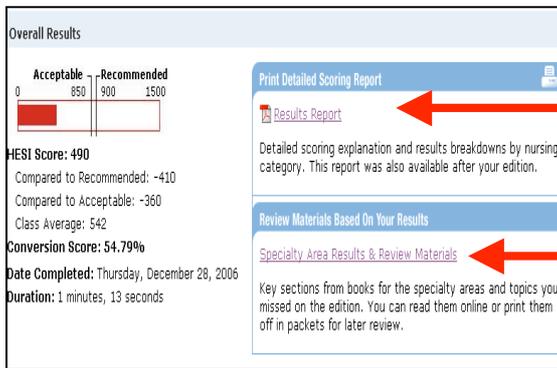

- Check your Junk Mail / Spam Folder. Remember to check the correct email address, the **email account you used to sign up on Evolve**.
- Ask your instructor if they have closed out the exam
- If you have done both and still don't have the email then go to Evolve Student login page [https://evolve.elsevier.com/staticPages/s\\_index.html](https://evolve.elsevier.com/staticPages/s_index.html)

1. Enter your **Evolve username** and **password** and click **Submit** button
2. Click on the **+** next Reach Testing and Remediation and then click on **Exam results and review materials**

3. Click on the **Exam Name** to view your results and to access your personalized remediation

4. Click **Results Report** to see a detailed report on how well you did on your exam

5. Click on **Specialty Area Results & Review Materials** to start your remediation

6. Click on any Underline area, ie Clinical Concepts: Med-Surg/Pedi/Geri, to review your remediation content

- The remediation content is **targeted** to the **questions** you got **wrong** on the exam so **STUDY** it carefully.
- Note your Instructors can tell if you have accessed your remediation so please take it seriously. This will only help you pass the NCLEX.

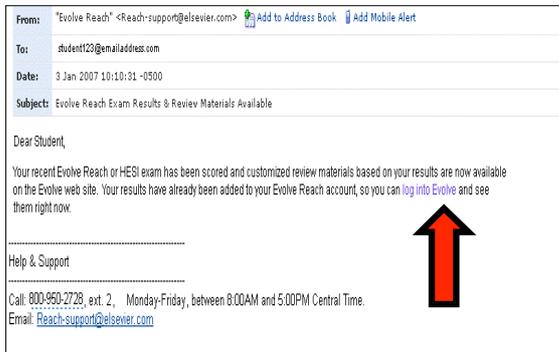

- ❖ If you want to print and create a customized study packet click on **Add to My Study Packet** then **My Study Packet**

and then click **Print Packet** button

- ❖ For **future** exams, you will receive an email at your **Evolve Register Email** telling you your results and remediation are available, click on the “**Login into Evolve**” link or you can login into **Evolve Student home page** (<http://evolve.elsevier.com>) and click on **Exam results and review materials**
