

The CalWORKs program can help you reach your educational goals if you are currently receiving TANF benefits (Temporary Assistance for Needy Families) from the Department of Social Services, or are eligible for benefits.

Do you want to...

- Earn a college certificate or degree?
- Pursue a new career?
- Gain valuable job skills?
- Find meaningful work?

Student-Centered Services available:

- Staff and peer support
- Childcare assistance
- Textbook purchases
- School supply reimbursement
- Fast track registration
- Academic and career counseling
- Internship placement
- Job search assistance

How do you apply?

Students who are interested in attending either Foothill or De Anza College and who are receiving cash assistance from the Department of Social Services are eligible for our program. If you are considering applying for TANF or have been on cash assistance in the past year, contact our office about your eligibility for program services.

What Foothill and De Anza Colleges can offer you:

- Convenient daytime, evening and weekend courses
- Online learning
- Career fairs
- On-campus childcare and parenting workshops
- Campus clubs
- Diverse student body
- Award winning instruction
- More than 100 academic programs to choose from

CalWORKs functions under the umbrella of the Occupational Training Institute (OTI), a grant-funded division of the Foothill-De Anza Community College District serving students in economic transition.

Our mission is to provide our students with an affordable college education that will lead to financial stability and lifelong learning.

The dedicated CalWORKs staff is a team of caring professionals available to assist you along the road to financial independence—from choosing your college program, to helping you find that first job. We are working to build strong families by helping parents reach their career potential.

If you are a new or continuing student with questions about our program, call the OTI office.
