

## **Massage Therapy Prerequisite Clearance**

As of July 1, 2012 all students enrolling in Massage Therapy classes must successfully complete the designated prerequisites for the courses they wish to enroll in.

At times life dictates circumstances that force students to take classes out of sequence. If you feel that you have the necessary knowledge skills and training to succeed in a class you desire to take please state your case in this prerequisite clearance form.

### **\* Prerequisite Clearance Form**

Submit Prerequisite Clearance Form to the instructor of the class you would like to register for, if that instructor is not available please submit it to the Massage Therapy Program Coordinator with all background documentation at least 2 weeks prior to your registration.
