

NCORE 2019 Funding Application Supplemental Questions (for Faculty Applications only)

The Staff Revitalization and Professional Conference Funds (SRPC) committee encourages all faculty and classified professionals, no matter if this is your first or fifth time attending or if you are newly hired or have worked with De Anza for decades, who are interested in attending NCORE, to apply. While we want to encourage all to apply, we also want to allocate funds in the most equitable way possible and that will also bring the greatest breadth of benefit to our students, classified professionals, and faculty.

Please make sure to answer all the questions below. You may refer to the Supplemental Questions Evaluation Rubric to further understand scoring criteria:
