

De Anza College

Statway Program Information Form

Please print clearly

Name: _____ Student ID Number: _____

Phone #: (Home) _____ (Work) _____

(Cell) _____ e-mail address: _____

Are you eligible to enroll in Math 212? YES _____ NO _____

Eligibility was determined by:

Successfully completed (C or better) Math 210 _____

Placement into Math 212 via Placement Exam _____

Previously took Math 212, but did not pass _____

When did you last take the De Anza College Math placement exam? Quarter: _____ Year: _____

What 4 year institution are you planning on transferring to? _____

This course sequence satisfies De Anza General Education requirements, CSU General Education requirements and the IGETC requirement for transfer to UC. Check with a counselor, academic advisor and/or assist.org for transfer to your major, if your major requires Statistics. Statway may not transfer to private colleges. Is it possible that you may attend a private college at some point in the future? _____

If yes, please explain. _____

What are you planning to major in? _____

Statway is appropriate only if you need no other math beyond transfer level statistics. It is not appropriate for students majoring in math, science, computer science, engineering, education or business. Is it possible that you might consider any of these majors in the future? _____

If yes, please explain. _____

Are you in any other program on campus? (eg EDC, DSS, EOPS, SSRSC, Etc.)

Please list: _____

By signing below I acknowledge and agree to the following:

- I am aware that if I decide to major in math, science, computer science, engineering, education or business in the future, I may have to take additional math, including developmental and/or statistics courses, in order to complete my college requirements.
- I am aware that I must complete the full 2-quarter Statway sequence in order to meet CSU and UC transfer and De Anza GE requirements.

Signature _____ Date: _____

If you have any questions concerning the Statway Program, please email campbellyvette@fhda.edu
Please return completed applications to PSME Division office (S31) or via email to campbellyvette@fhda.edu.
