

Enroll Now

- See the Math Department, an Academic Advisor or a Counselor
- Complete the Statway Program Application
- Statway™ is a **2-quarter** commitment, so you need to plan ahead.

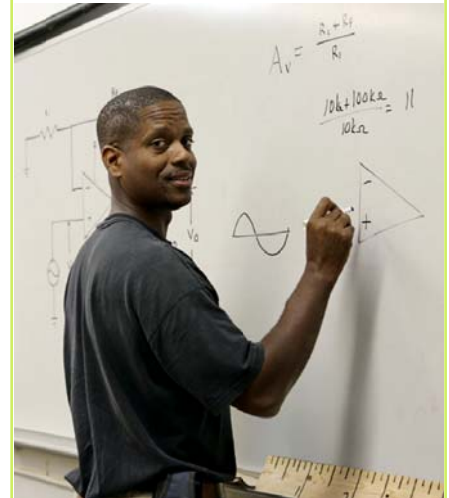

Finally! A new way
to learn math

How Is This Class Different?

- Statway™ has helped many students achieve their bachelor's degree by giving them a chance to learn why math is important and useful, rather than making them feel frustrated and unsuccessful.
- In Statway™ you will learn math differently. Your class will be interactive, with activities-based learning, and group work.

STATWAY™

Want to finish your
college math
requirements in
2 quarters?

Take Statway™.
Have fun.
Be successful.

Statway™

Why Should I Take Statway™?

Save Time and Money

- Do you feel like you will never transfer because you're getting stuck on the math requirement?
- Statway™ can help make transferring a reality! Put your degree on the fast track!

HOW?

- Statway™ is a program that allows you to complete Algebra and transfer-level statistics in **2 quarters**.
- Statway™ is designed to help students LEARN math and statistics, NOT memorize.
- Statway™ is not a traditional lecture class. You will learn how to use math in the real world and how math can be useful and relevant to your daily life.

Benefits

- **Save time-** Take fewer classes and still complete your math requirements to transfer.
- **Collaborative learning** – Work with your classmates with the instructor as a guide.
- Improve your confidence in Math.
- Math with meaning. Let math solve YOUR problems.

Who should take this class?

Statway™ is ideal for these majors:

- Liberal Arts
 - Behavioral Sciences
 - Some Health Sciences
- Statway™ is **not recommended** for majors in math, science, computer science, engineering, education or business.
 - Statway™ is **not recommended** for students who plan to attend a UC or private university.

Pre-requisite:

- Math 210 or equivalent

THE OLD WAY

vs.

STATWAY

- Statway™ is a new sequence that has been taken by over 1,000 students from all over the country.
- Usually, only 5% of students in Algebra get college math credit in 1 year. **Over fifty percent of Statway™ students get their college math credit in 1 year!**

TM #

Typical Dev Math Outcomes

6% of students achieve college math credit in one year.
(Based on data from Statway colleges, academic year 2008-09)

Statway Outcomes

52% of students achieve college math credit in one year.
(Academic year 2011-12)
