

General Education Requirements 2006-2007

Effective Fall 2006 through Summer 2007.

General Education Requirements

De Anza College offers two associate degrees, the Associate in Arts (A.A.) and the Associate in Science (A.S.). In order to obtain either degree, you must complete between 31-42 General Education (GE) units and additional unit requirements in your major. The number of units required for a major will vary from program to program. To qualify for the associate degree, you must complete a total of 90 units including General Education, major, and, if needed, elective courses of your choice.

The General Education subject areas listed within the left column below reflect De Anza College's associate degree requirements. However, to support your transfer to the University of California and/or California State University, you should also complete the requirements listed under the Intersegmental General Education Transfer Curriculum (IGETC) or CSUGE Breadth. See pages 48 and 49 for approved course lists.

Transfer students in high unit majors may be advised to focus on the requirements for the major and completing minimum admissions

requirements instead of concentrating on completing IGETC or CSUGE Breadth requirements.

Once you complete the IGETC or CSUGE Breadth, the requirements for your major, and any transferable electives necessary to bring your total units to 90, plus earn the required GPA for that school, you may qualify for both De Anza's associate degree and for transfer to a university. (See the following pages for a listing of courses that meet De Anza's GE, IGETC and CSUGE Breadth requirements.) The associate degree is not required for transfer.

Students who want to transfer may elect to complete the specific General Education-breadth requirements of the transfer institution they select.

The University of California, Berkeley College of Letters and Science Breadth requirements are listed separately on pages 45 and 46.

Please see the following Web site for more information:

The following summarizes the breadth requirements for the B.A./B.S. Degree in the College of Letters and Science at UC Berkeley, and lists the De Anza College courses that count toward satisfaction of those requirements. **Check the UC Transferable Course Agreement (www.ASSIST.org) for limitations on De Anza courses accepted.**

These requirements are not valid for other colleges of the University of California, Berkeley (e.g., Chemistry, Engineering, Environmental Design, Natural Resources), or for other University of California campuses. See a counselor or academic adviser for further assistance.

I. Requirements to be completed prior to transfer with junior standing

If you have completed 90 or more transferable quarter units, you will be applying for admission as a junior, and you will not be considered for admission unless you have completed the requirements outlined below. For admission, requirements must have been completed by the end of the Spring term prior to Fall transfer.

A. Essential Skills

There are three essential skills requirements: Reading and Composition, Quantitative Reasoning and Foreign Language. All courses used to satisfy these requirements must be taken for a letter grade.

1) Reading and Composition:

- a) To satisfy this requirement at De Anza, complete EWRT 1ABC with letter grades of “C” or better; courses may not be taken on a CR/NC basis;

At De Anza: EWRT 1A + EWRT 1B = Berkeley’s English 1A
EWRT 1B + EWRT 1C = Berkeley’s English 1B

OR:

- b) Achieve an appropriate score on the College Board Advanced Placement (AP) examination as follows: a score of 4 in English Literature and Composition will satisfy the first half of the requirement, a score of 5 will clear the entire requirement; a score of 4 or 5 in English Language and Composition will satisfy only the first half of the requirement. The examination must be taken before you enroll in the College of Letters and Science; OR
c) Achieve a score of 5 or better on the International Baccalaureate Higher Level Examination in English Language A1; OR
d) Obtain a grade of C or better in the GCE “A” Level English Exam.

2) Quantitative Reasoning:

This requirement may be satisfied in one of the following ways:

- a) Score 600 or more in mathematics section of the SAT I: Reasoning Test; OR
b) Score 550 or more in SAT II: Math Subject Exam (Level I/IC or Level II/IIC) if taken before May 1995. If taken May 1995 or later, score 570 or higher in Level I/IC or 520 or higher in Level II/IIC; OR
c) Achieve a minimum score of 28 on the mathematics section of the American College Test; OR
d) Achieve a score of 3, 4, or 5 on the Advanced Placement examination in Calculus AB or BC. Must be taken before enrolling in the College of Letters and Science; OR
e) Score 3, 4, or 5 on the Advanced Placement examination in Computer Science AB. The exam must be taken before enrolling in the College of Letters and Science; OR
f) Score 3, 4, 5 on the AP exam in Statistics. The exam must be taken before enrolling in the college of Letters and Science; OR
g) Score C or better on the GCE “A” Level Math Exam.
h) Complete one of the following courses at De Anza with a letter grade of “C” or better: MATH *1A, 1B, 1C, 1D, 2A, 2B, *10, 11, *12, 22, *23, (49A and 49B), CIS *21JA, *26A, 26B, 27, 28. (A course used to fulfill this requirement must be completed with a “C” or better; it may not be taken for CR/NC grade.)

*Important course and unit limitations - (see UC Transferable courses at: www.ASSIST.org)

3) Foreign Language:

This requirement may be satisfied in one of the following ways:

- a) Complete in a junior or senior high school three years of one foreign language with minimum grades of “C-”; OR
b) Score 550 on the College Board Foreign Language Achievement Test (SAT II Foreign Language Subject Exam), if taken before May 1995; score 590 or better if taken May 1995 or later; OR
c) Score at least 3 on a Foreign Language Advanced Placement examination (examination must be taken before enrollment in College of Letters and Science); OR
d) Achieve a grade of C or better on the GCE “O” Level or “A” Level Foreign Language Exam;
e) Complete De Anza College course 3 or 10 (or equivalent) in one language with minimum grades of “C.” (Note: A course taken in satisfaction of the foreign language requirement may not be taken on a CR/NC basis and may not be used as part of the six courses outside the major.) De Anza courses in Arabic, Cantonese, French, German, Italian, Mandarin, Russian or Spanish apply.

B. Preparation for the Major

The instructions on this sheet specify only the breadth requirements of the College of Letters and Science. In addition, most majors require specific prerequisite courses which should be completed during the first two years of college in order to continue in that major during the junior year. Failure to complete these prerequisite courses will often result in denial of admission to the major of your choice, or if admitted, may lengthen the time required to complete the bachelor's degree. The student should consult www.ASSIST.org and the UCB catalog for articulated major course requirements.

II. Additional Breadth Requirements

The following additional requirements must be completed prior to graduation from UC Berkeley. It is to your advantage to complete as many of these courses as possible while at DAC. This will enable you to devote the proper amount of time to your major and other required upper division courses while in the College of Letters and Science at Berkeley.

A. American History and Institutions

This requirement may be met as follows:

- 1) High school grade of "C" or better in one year of U.S. History OR (1/2 year of U.S. Government and 1/2 year of U.S. History); or
- 2) If requirement was not satisfied in high school, by completion of (HIST 17A and 17B) or (HIST 17B and 17C) or POLI 1 at DAC.

B. American Cultures Requirement

This is a requirement for all UC Berkeley students. You may satisfy this requirement by passing one Berkeley American Cultures course or one of the following De Anza courses, with a grade of "C" or "Passed." American Cultures courses may also be used to satisfy other Berkeley requirements. **POLI 15, 16, SOSC 15, 16, WMST 15, 16**

C. Seven Course Breadth**Guidelines:**

- Requirements have to be met with course work, not Advanced Placement credit.
- Courses may be taken for a Grade ("C-" or better) or Passed/Not Passed (with a "P", if "P" = "C-" or better)
- Courses must carry a minimum of two semester units.
- Courses from one's major department may be used.
- Not more than two courses offered by the same department may be used.
- Courses used for breadth credit may not be used to meet Essential Skills (Reading and Composition, Quantitative Reasoning and Foreign Language) requirements.

The seven courses must be distributed among the following areas of study. **ONE COURSE MUST BE TAKEN IN EACH AREA.**

III. Transfer Requirements

In general, a student who has (1) completed at least 90 UC transferable units with a 2.4 GPA; (2) satisfied the minimum admission requirements (I.A above); and (3) completed the prerequisite courses for the intended major may be considered for transfer to the College of Letters and Science. However, to be competitive for admission, most majors require a GPA ranging from 2.8 to 4.0. Check with UCB departments for information on competitive GPAs.

No more than 105 quarter units will be applied toward the total bachelor's degree unit requirement, although course content credit will be given for all applicable transferable courses completed.

* Check the UC Transferable Course Agreement for limitations on De Anza courses accepted. (www.assist.org)

Completion of requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. **REQUIREMENTS FOR ALL AREAS MUST BE COMPLETED BEFORE TRANSFER.** For good cause, a student may be partially certified if deficient in no more than two courses, with the exception of courses in Area 1 and 2 (admission requirements) which must be completed before transfer. If partially certified, the student has the option of completing the one or two remaining courses at a community college or at the transfer institution before the beginning of the second year of transfer. **ALL COURSES MUST BE COMPLETED WITH GRADES OF "C" OR BETTER. A COURSE MUST APPEAR ON IGETC IN THE YEAR IT IS SATISFACTORILY COMPLETED.** See a counselor/academic advisor about UC majors, colleges, and professional schools which do not accept IGETC, and for other transfer requirements. Upon enrollment in final requirements, students must submit a request for certification to De Anza's Office of Admissions and Records. Forms are available in Admissions, Counseling and at www.deanza.edu.
