FINANCIAL PLANNING and COLLEGE COSTS

Student Fees
If you are a full-time resident student enrolled in 12 units, you will pay $13 per unit.* Each quarter this will average $156 for enrollment fees, plus an average of $50 in other fees. The nonresident tuition fee is $107 per unit, and the foreign student tuition fee is $118 per unit.

De Anza charges additional fees for Campus Center use (mandatory), on-campus parking, lab courses, De Anza Associated Student Body activities (voluntary) and health services (mandatory). International F-1 Visa students are required to purchase comprehensive health insurance for $390 each quarter.

All fees, listed in our quarterly Schedule of Classes and on the Internet at www.deanza.edu/registration/cashier, are subject to change. Payment and refund policies are listed in the Schedule of Classes and online. Tuition and fees may be refunded under certain circumstances. Please direct questions to the Cashier’s Office by e-mail to deanzacashier@fhda.edu.

* Fees are subject to change by California legislative action.

Instructional Materials Fees
For some courses, there will be an instructional materials fee. These fees, shown in the Schedule of Classes, reflect the actual cost for materials, which is usually lower than if you purchased the same items separately. Unless there is an issue of health or safety, you can either pay the fees to the college or provide your own materials of equal quality. A list of materials will be provided by the instructor upon request.

Textbooks and Supplies
You are responsible for purchasing textbooks and supplies including course syllabi, bibliographies and other printed materials in excess of five pages. Some courses require that you purchase additional supplies. The De Anza Bookstore sells all course texts and other items.

Estimated Annual Cost of Attending De Anza College
It is important for you to plan financially for your education. The following cost estimates are calculated for a student attending De Anza College full time and enrolled in 12 units for three quarters or nine months. Costs for out-of-state or nonresident students will be higher.

**Academic Freedom**

The Foothill-De Anza Community College District Board of Trustees believes that faculty and students have the right to pursue teaching and learning with full freedom of inquiry. In order to assure that this viewpoint is understood by all, the board adopts the following policy.

Academic freedom and academic responsibility are inseparable. Academic freedom is the right of faculty members to interpret findings and communicate conclusions without being subjected to any interference, molestation, or penalization because these conclusions are at variance with those of constituted authorities or organized groups beyond the colleges.

Likewise, the academic freedom of students is the freedom to express and to defend views or beliefs, the freedom to question and to differ, without authoritative repression and without scholastic penalization by the faculty or the colleges.

Academic freedom carries with it corresponding responsibility. Academic responsibility emphasizes the obligation to study, to investigate, to present and interpret, and to discuss facts and ideas concerning human society and the physical and biological world in all branches and fields of knowledge. Since human knowledge is limited and changeable, the faculty member will acknowledge the facts on which controversial views are based and show respect for opinions held by others. While striving to avoid bias, the faculty employee will nevertheless present the conclusions to which he or she believes the evidence points.

College faculty members are citizens, members of a learned profession and officers of educational institutions. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As persons of learning and educational officers, they should remember that the public may judge their profession and their institution by their utterances. Therefore, they should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not institutional spokespersons.

It is recognized that all staff members of the college will be guided by the recommendations of the curriculum committees, the administration and the policies approved by the Board of Trustees on the general purposes of the courses offered.

To ensure these principles of academic freedom for De Anza and Foothill colleges, the administrators of the district and the board, as the governing body of the district, will at all times demonstrate their support by actively and openly working toward a climate which will foster this freedom. Such participation will extend to the point of defending and supporting tenured or non-tenured faculty members who, while maintaining the high standards of their profession, find their freedom of expression attacked or curtailed.

*Approved 4/20/60. Amended 11/18/96.*

**Academic Integrity**

De Anza College is committed to excellence in the pursuit of learning and academic achievement by its students. To further this goal, the college is committed to providing academic standards that are fair and equitable to all students in an atmosphere that fosters integrity on the part of student, staff and faculty alike. The student's responsibility is to perform to the best of his/her potential in all academic endeavors. This responsibility also includes abiding by the rules and regulations set forth by individual faculty members related to preparation and completion of assignments and examinations. The submission of work that is not the product of a student's personal effort, or work which in some way circumvents the given rules and regulations, will not be tolerated. It is the responsibility of the faculty to clearly define the requirements and rules applicable to their courses for all students. An applicable paragraph of the California State Educational Code (#76130) is quoted: “Code of Student Conduct: The college has an obligation to specify those standards of behavior essential to its educational mission and campus life. The following types of misconduct for which students are subject to disciplinary sanction apply at all times on campus as well as to any off-campus functions sponsored or supervised by the college: cheating, plagiarism or knowingly furnishing false information in the classroom or to a college officer.”

**Academic Renewal**

Students may request up to 45 units of De Anza coursework (three consecutive quarters plus a summer session) be disregarded and not calculated in their cumulative GPA (sections 55764 and 55765 of the California Administrative Code) when such work does not reflect their current ability.

A student who wishes to qualify for a degree, certificate or transfer may petition the Academic Council to disregard up to three consecutive quarters, plus a summer session, for a maximum of 45 quarter units of work completed at De Anza College.

Academic renewal at De Anza College does not guarantee that other colleges will accept this action. Acceptance of academic renewal is at the discretion of the transfer institution.

Approval of the request is subject to the following conditions:

1. Two years must have elapsed since the last quarter to be disregarded was completed.
2. Since the last quarter, the student must have completed at least:
   15 units with a 3.0 GPA, or
   30 units with a 2.5 GPA, or
   45 units with a 2.0 GPA.

3. All work to be disregarded in the specific quarters, even if satisfactory, will not be applied toward unit requirements or calculated in the GPA.

4. Although none of the units completed during the affected quarter(s) will be counted toward a degree, courses completed with grades of C, CR, or better may be used to satisfy major or general education requirements.

5. Students may petition only once for academic renewal.

6. Student transcripts reflect all work including that disregarded through academic renewal to ensure a true, complete academic history.

7. Students cannot use academic renewal to qualify for honors at graduation.

**Admission Policies**

**Residency Requirements**

**California Residents**

Students who have established California residency for at least one year prior to the term in which they wish to enroll may attend De Anza as a California resident for tuition purposes.

**Nonresidents**

California residents and residents of other states or territories who have not resided in the state for one year prior to the term in which they wish to enroll, must pay nonresident tuition when attending De Anza.

Students holding various visas, or undocumented or out-of-status aliens, may not establish residency and must pay nonresident tuition when enrolling at De Anza. Other aliens may be able to establish residency if they meet the requirements of California Education Code 68062. Still others may be exempted from paying nonresident fees through AB540 eligibility (68130.5), which allows certain nonresident students who have attended a California high school for three years and earned a degree or equivalent to be charged resident fees. (Students with non-student visas or who are out of status or undocumented should call the Admissions and Records Office at 408.864.8722 to determine residency and other attendance eligibility requirements.)

Students on F, J or M visas attending another college, but who wish to take a class at De Anza, must submit an official letter from the host college issuing their I-20. This letter should state the student’s standing, confirm full-time status, and provide authorization for the student to take specific classes at De Anza.

Students seeking residency eligibility based on military active duty status, military dependent status or other military considerations, should contact the Admissions and Records Office for specific eligibility criteria.

**Admission Requirements**

De Anza College admits anyone with a high school or general education diploma (GED), a proficiency certificate, or who is 18 years old and demonstrates the ability to benefit from college instruction. High school (concurrently enrolled) students may attend De Anza if they have completed their sophomore year, and have submitted a permission form signed by their high school principal and parent/guardian.

**Course Repetition**

Students may repeat any course for which they have earned an F, D or NP one time only, in accordance with California community college regulations. No student may repeat a course in which they have earned any grade P/C or above unless they petition with documented proof that they must repeat the course due to an extended lapse in time or to upgrade skills as part of recertification.

Students who are requesting repetition for a course prerequisite they have failed twice may petition to repeat the course one additional time. This petition must be reviewed by the division dean and associate registrar. Repetition of this type may require the student to audit lower-level courses for which they have previously received a passing grade in order to update skills; or choose a different elective to fulfill graduation requirements; or permission to complete the course at another institution.

**New High School Admissions (Concurrent Enrollment)**

Beginning with the summer session, students who have completed their sophomore year of high school may apply to De Anza as special part-time students. California regulations allow high school students to attend De Anza classes that are for enrichment, are vocational or are otherwise unavailable at their high schools. High school students may not enroll in basic skills, ESL, guidance or other restricted courses outlined by state guidelines. They may not enroll in more than 11 units per term. High school students wishing to enroll in English, math, or some science classes will need to complete an assessment. In addition, high school students attending De Anza classes are held to the same requirements, standards and policies as any other student, and receive the same FERPA (Family Educational Rights and Privacy Act) protections. College records are not automatically sent to the student’s high school and transcripts should be requested through the college Web site. More information regarding concurrent enrollment is available at www.deanza.edu/admissions/hchecklist.html.

**Service Areas**

The Foothill-De Anza Community College District operates two colleges—De Anza College in Cupertino and Foothill College in Los Altos Hills. De Anza College serves the Fremont Union High School District, which includes Cupertino, Monte Vista, and parts of Sunnyvale.
San Jose, Santa Clara, Los Altos and Saratoga. Foothill College primarily serves the communities of Palo Alto, Los Altos, Mountain View and Los Altos Hills. These cities are in the Palo Alto Unified School District and the Mountain View-los Altos Union High School Districts.

High School Completion
Many high schools recommend that students 18 years or older without a high school diploma complete their high school requirement by taking college courses. Students choosing to earn a diploma in this way should obtain a statement from their high school principal or counselor indicating:

1. The necessary subjects to meet graduation requirements and the number of quarter credits in each;
2. A list of De Anza courses that may satisfy these high school requirements;
3. The total number of quarter units required, including electives; and
4. Approval to use De Anza credit to meet high school requirements.

The California Department of Education recommends that college credit equal twice the number of units earned in high school; for example, two college units equal four high school semester periods.

Once De Anza courses have been completed, students should request an official transcript be sent to the high school. Students may also enroll in additional courses not required for the diploma.

Evening College
De Anza offers a wide range of evening courses on campus and also at other Cupertino and Sunnyvale sites. 

Location (coordinator):
Administration Building
Telephone (coordinator): 408.864.8333

Summer Sessions
De Anza offers day and evening summer classes in sessions of varying lengths. Summer courses are comparable in academic standards, content, and earn similar credits as classes offered during regular quarters. Summer enrollment enables students to complete prerequisites, or accelerate their progress. It also allows high school students who have completed their sophomore year to take enrichment or vocational courses, or enhance their college applications by completing college level work. All regular term attendance and academic policies apply to summer sessions.

Attendance
Instructors determine individual class attendance policies, which are distributed to students at the beginning of each quarter. State guidelines also recommend that absences in excess of one week’s class meetings may be considered excessive. Excessive absences may result in students being dropped from the course.

Auditing Classes
Students who have satisfactorily completed a class for the maximum allowable times may be able to audit. Instructor and division dean approval is required. Audit requests cannot be processed until the second week of class or later. A $10 per unit fee is assessed for audited classes. Course audit request forms are available at www.deanza.edu/registration/forms.html.

Catalog Rights
The college catalog serves as an agreement between the student and the college as to the courses a student must complete to qualify for a degree or certificate. De Anza students have the right to follow the degree/certificate and general education requirements that were in effect at the time of their original enrollment or any year thereafter, provided that they maintain continuous enrollment. If in continuous attendance, De Anza students are permitted to select one catalog year for meeting general education requirements and another catalog year for meeting major requirements. It is recommended, however, that students choose the most recent catalog year for completing major requirements.

The college reserves the right to change catalog rights by modifying program requirements based upon legal mandate and accreditation standards.

Classification of Students
FRESHMEN: Students who have completed fewer than 45 quarter units of college credit.

SOPHOMORES: Students who have completed 45 or more quarter units of college credit and have not received a degree.

POST GRADUATES: Students who have completed all graduation requirements and have enrolled for further study.

FULL-TIME STUDENTS: Students enrolled for 12 or more units.

College Level Examination Program (CLEP) Examinations
Some CLEP exams with qualifying scores are accepted at De Anza College for granting credit and/or course placement. Official (sealed) exam reports should be submitted to the Assessment Center. For more information, contact the Assessment Center.

Computer and Network Use

Rights and Responsibilities
Foothill-De Anza Community College District (“district”) owns and operates a variety of computer and communication systems, including voicemail, electronic mail (e-mail), telephone and access to the Internet, which are provided for the use of district faculty, administrators, staff and students in support of the programs of the colleges and district. Hereinafter, this system and all of its component parts shall be referred to as the “district network.” This network establishes a communications platform that often substitutes for in-person meetings regarding district business.

The Computer and Network Use: Rights and Responsibilities Policy 3250 (“the policy”) applies to all members of the district community using the district network including faculty, administrators, staff, students, independent contractors and authorized guests. The policy covers use of computer equipment and communication systems at any district facility in computer labs, classrooms, offices, libraries and the use of the district servers and networks from any location. If any provision of this policy is found to be legally invalid it shall not affect other provisions of the policy as long as they can be effective without the invalid provision.
Ownership Rights
The policy is based upon and shall be interpreted according to the following fundamental principle: the entire district network, and all hardware and software components within it, is the sole property of the district which sets the terms and conditions of its use consistent with the law. Except as provided in board policy or collective bargaining agreements pertaining to intellectual property rights, employees and students have no rights of ownership to these systems or to the information they contain by virtue of their use of all or any portion of the district network.

Privacy Interests
The district recognizes the privacy interests of faculty and staff and their rights to freedom of speech, participatory governance and academic freedom as well as their rights to engage in protected union and concerted activity. However, both the nature of electronic communication and the public character of district business make electronic communication less private than many users anticipate. In addition the district network can be subject to authorized and unauthorized access by both internal and external users. For these reasons, there are virtually no online activities or services that guarantee an absolute right of privacy, and therefore the district network is not to be relied upon as confidential or private. Nonetheless, the district seeks to afford e-mail communication privacy protections comparable to those it traditionally affords paper mail and telephone communications.

District Rights
System administrators may access user files or suspend services they manage without notice:

1. to protect the integrity of computer systems;
2. under time-dependent, critical operational circumstances;
3. as required by and consistent with the law; or
4. when it is reasonable to believe that violations of law or district policy or procedures have occurred.

For example, system administrators, following organizational guidelines, may access or examine individual files or accounts based on suspicion that they have been corrupted or damaged or subject to unauthorized use or misuse. In such cases of access without notice, data or information acquired may be used to initiate or extend an investigation related to the initial cause or as required by law or Board policy. Such data or information may also be used as grounds for appropriate personnel action.

User Rights
While the district monitors electronic usage as part of its normal network operating procedures, the district does not routinely inspect or monitor users’ computer hardware or files, e-mail, and/or telephone message system, nor disclose information created or stored in such media without the user’s consent. The district shall attempt to notify users before accessing computer hardware and files or prior to suspending service. In the event that the district acts without user consent, under its District Rights specified above, the district shall do so with the least perusal of contents and the least action necessary to resolve the immediate situation. When the district accesses files without user consent, it shall notify the user as soon as possible of its access and provide the reason for its action.

User Responsibilities
The Board recognizes that computers and networks can provide access to resources on and off campus, as well as the ability to communicate with other users worldwide. Such open access is a privilege and requires that individual users act responsibly. Users must respect the rights of other users, respect the integrity of the systems and related physical resources and observe all relevant law, regulations and contractual obligations. For district employees, the intended uses of the district network are those which are reasonable and necessary for the pursuit of job duties; for students, the intended uses are those which are reasonable and necessary for the pursuit of instructional activities. Although personal use is not an intended use, the district recognizes that the network will be used for incidental personal activities provided that such use is within reason and provided that such usage is ordinarily on an employee’s own time, is occasional, and does not interfere with or burden the district’s operation.

“Unauthorized uses” include prohibited uses and any other use for a prohibited purpose, including illegal activities, messages which may constitute discrimination or harassment under state or federal law, or anything that interferes with the intended use. These types of prohibited uses and purposes are further defined in Administrative Procedure 3250.

All users of the district network must read, understand and comply with this policy as well as Administrative Procedures 3250, and any additional guidelines established by the district. Such guidelines will be reviewed by the district and may become subject to Board approval as a district policy or procedure. By using any part of the district network, users agree that they will comply with this policy.

Copies of this policy can be found in the policies section of the college catalogues, schedules of classes, student handbooks, faculty handbooks, new classified employee handbook, and the handbook for new administrators. Copies of this policy are also available in the District Human Resources Office, the Office of the Dean of Student Development and EOPS (De Anza), the Office of the Dean of Student Affairs and Activities (Foothill), and on the district’s Web site at www.fhda.edu.

Enforcement of the Policy
The Board directs the Chancellor or designee to enforce all existing federal and state law and district and college policies, including not only those laws and regulations that are specific to computers and networks but also those that apply generally to personal conduct. Violations of this policy will be dealt with in the same manner as violations of other district policies or standards of behavior and may result in disciplinary action, subject to applicable due process requirements.

Users who believe this policy has been misinterpreted or misapplied may file a complaint in accordance with the Complaint Procedures found in Administrative Procedures 3250. Students who do not observe the requirements of this policy may be in violation of the Student Code of Conduct and subject to student discipline.

This policy and Administrative Procedures 3250 shall be distributed to all new and existing employees. Nothing in this policy should be construed to interfere with First Amendment rights or with the academic freedom of faculty as outlined in Board Policy 4190.
Continuous Enrollment

For the purpose of determining the catalog year used to evaluate degree or certificate requirements, students must be continuously enrolled since that term. Continuous enrollment is equal to at least one semester or two quarters each academic year at De Anza, Foothill, CSU, UC or any other California community college. A single “W” in a term qualifies as enrollment in that term.

Credit by Examination (CBE)

Students seeking credit by examination must first successfully complete 15 units at De Anza. Following this, students may file for credit by examination during any regular quarter for courses in which s/he is especially qualified through previous training or experience, and for which prior AP or college credit has not been awarded. Students may obtain the appropriate forms from the Counseling and Advising Center.

Additional requirements for credit by examination:

1. Student must be enrolled in the courses and the instructor has outlined successful completion requirements.
2. No course may be challenged after meeting twice the number of meetings per week.
3. Students may not request CBE for courses for which they have already earned a grade.
4. CBE units may not be used to meet the 24 residency units required to earn a De Anza degree.
5. No more than 45 CBE units may be earned.
6. Students who successfully challenge a course through credit by examination may not subsequently challenge a course normally preceding it; for example, challenging Chemistry 1B and then challenging Chemistry 1A.
7. When transferring to another college or university, accepting credit by examination requirements/units is at the discretion of the transfer institution.

Challenge is limited to those courses recommended by the divisions and approved by the vice president of Instruction. Special limitations exist for challenging courses in sequence. The examination may include oral, written, or skill tests, or a combination and will be sufficiently comprehensive to assess the student’s knowledge and skills commensurate with a student successfully completing the course.

The credit by examination grade will be noted on the student’s transcript at the end of the quarter. Students who do not successfully challenge may not remain enrolled in the course.

The following courses are challengeable:

**Applied Technologies**
- AUTO 50A and 50B (Must pass both to receive credit.)

**Biological, Health and Environmental Sciences**
- HTEC 60A
- NURS 50

**Business/Computer Systems**
- ACCT 1A
- CAOS 150A and 150B

**Creative Arts**

DASB Card Policies

1. The DASB Card is the property of De Anza Associated Student Body and entitles the student to access and service privileges as long as the De Anza Student Body fees are current. Certain access and privileges may be denied if fees are delinquent or otherwise not current.

2. The initial DASB Card is free with the payment of the quarterly student body fees. Subsequent or replacement cards are subject to existing Replacement Card Policies and will be charged a $5 fee. To avoid paying the replacement fee, students are encouraged to retain
the card for future use when not continuously enrolled or when leaving campus for the summer.

3. The DASB Card will serve as an official ID card for access to numerous labs and the library as well as events and services on campus. Therefore, the card should be carried at all times while students are on campus and at campus-sponsored events.

4. The DASB Card shall not be transferred, altered or tampered with in any way except as authorized by De Anza College officials. Strict penalties may apply for unauthorized actions.

5. With the exception of the campus police, campus departments may not hold the DASB Card for any reason. Recovered cards should be returned to the Card Office immediately.

6. If the DASB Card is lost, stolen or damaged, the Card Office should be notified immediately.

7. The DASB Card should be treated as cash and kept secured at all times. Students are advised not to give their card to anyone at any time. The maximum amount of dollars that can be placed on the unsecured electronic cash purse is $100. Purchases made with your DASB Card over $25 will require a PIN ID. **Drug and Alcohol Policy**

The unlawful possession, use or distribution of any illicit drug or alcohol by students or employees on college property or at college-sponsored activities or events is prohibited. Violation may constitute criminal conduct which could result in criminal prosecution under state and/or federal law. It is the policy of the college to impose appropriate disciplinary sanctions on employees and students for the unlawful possession, use or distribution of illicit drugs or alcohol. Appropriate disciplinary sanctions may include suspension or expulsion for students or suspension or termination for employees, and may also include requiring the completion of a rehabilitation program. The standards of conduct for students and the applicable sanctions for violating the standards are contained in the Foothill-De Anza Community College District Board Policy on Student Rights and Responsibilities AP5510 and AP5520. The standards of conduct and sanctions applicable to employees are contained in the Foothill-De Anza Community College District Board Policy on a Drug-Free Workplace, Board Policy Number 4500, in the applicable collective bargaining agreements and in employee handbooks.

**Due Process Procedures and Student Conduct**

Individuals who elect to become students at De Anza College are afforded certain rights and privileges outlined in the De Anza College Students Rights and Responsibilities Policy and, at the same time, assume certain obligations for their personal conduct as set down in the De Anza College Due Process Procedures. For additional information, refer to the college policy on Student Rights and Responsibilities, which can be obtained from the offices of the De Anza College President, Vice President of Instruction, Vice President of Student Services, Dean of Student Development, and Student Activities.

**The Family Educational Rights and Privacy Act (FERPA)**

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are “eligible students.”

- Eligible students have the right to inspect and review the student’s education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Students have the right to request that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the student in order to release any information from a student’s education record. However, FERPA allows schools to disclose those records, without consent, to
the following parties or under the following conditions (34 CFR § 99.31):

- school officials with legitimate educational interest;
- other schools to which a student is transferring;
- specified officials for audit or evaluation purposes;
- appropriate parties in connection with financial aid to a student;
- organizations conducting certain studies for or on behalf of the school;
- accrediting organizations;
- to comply with a judicial order or lawfully issued subpoena;
- appropriate officials in cases of health and safety emergencies; and
- state and local authorities, within a juvenile justice system, pursuant to specific state law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell students about directory information and allow students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook or newspaper article) is left to the discretion of each school.

Foothill-De Anza Administrative Board Policy AP 5045 also identifies the college registrar as the "Records Officer" required by FERPA. Current and former students can review their education records by completing or filing a request in the Admissions and Records Office. Such records will be made immediately available when possible or within 15 days of written request. If the review results in a dispute, the college registrar will initiate an informal proceeding in an attempt to resolve the matter. If the dispute continues, a grievance may be filed with the vice president of Student Services.

Final Examinations

Final examinations are to be given in all courses. Students are responsible for taking final examinations at the scheduled time.

Schedules are published in each quarter's Schedule of Classes. Two hours will be scheduled for examinations.

Not included in the schedule are final examinations for courses shorter in length than one quarter. Final examinations for these courses will be given at the last class meeting.

Students who miss a final examination for a legitimate reason should communicate with their instructor at once to arrange for an "I" grade. Final examinations normally will not be given in advance of the scheduled time.

Grading System

Grades are earned in each course and are recorded on the student's permanent record. Evaluation of student achievement will be made in relation to the attainment of the specific objectives of the course. At the beginning of a course, the instructor will explain these objectives and the basis upon which grades are determined.

Dean's List Policy

Part-time students (those taking fewer than 12 units per quarter) must have accumulated at least 12 units; cumulative GPA must be at least 3.00; and quarterly GPA must be 3.30 or higher.

Full-time students (those taking 12 or more quarter units) must have a quarterly GPA of 3.30 or higher. There is no minimum requirement for cumulative units or cumulative GPA for full-time students.

Grade Changes

Title 5 of the California State Administrative Code states, "The determination of the student's grade by the instructor shall be final in the absence of mistake, fraud, bad faith or incompetency." If students believe corrections should be made within the above restriction, they should first talk to their instructors. Corrections must be initiated within seven years after the grade was earned.

Grade definitions are as follows:

<table>

</tbody>
</table>

D Passing, less than satisfactory 1.0
D- Passing, less than satisfactory 0.7
F Failing 0.0
P Pass (at least satisfactory—units awarded not counted in GPA). This grade is assigned to those courses in which student achievement is evaluated on a Pass-No Pass basis rather than a letter grade (A, B, C, etc.). P-NP courses are so designated in the Announcement of Courses section of the catalog.

NP No Pass (less than satisfactory, or failing—units not counted in GPA). Not attaining course objectives. (Does not affect grade point average at De Anza.)

Non-Evaluative Symbols

(Not to be used in calculating GPA.)

I Incomplete. Incomplete academic work for unforeseeable, emergency and justifiable reasons at the end of the term. The student and the instructor file a contract for an incomplete grade with the Office of Admissions and Records, indicating the reason the incomplete grade was assigned and the conditions under which the grade of "I" can be removed. Also indicated on the contract form will be the grade to be awarded if the conditions for removal of the "I" are not met within a one year period. Either the grade earned by meeting the specified conditions or the default grade indicated in the contract will replace the "I" no later than one year from the time the "I" was originally given.

IP In Progress. The "IP" symbol is used to denote that the class extends beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of a substantive grade must await its completion. The "IP" symbol will remain on the student's permanent record in order to satisfy enrollment documentation. Unit credit will be assigned and appear on the student's record for the term in which the course is completed.

RD Report Delayed. The "RD" symbol may be assigned by the Office of Admissions and Records only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible.
Withdrawal. A “W” is assigned to drops from the end of the third week of the quarter (For courses shorter than 12 weeks, it is 25 percent of the term.) through the end of the eighth week (For courses shorter than 12 weeks, it is 60 percent of the term.) provided the student follows the official withdrawal procedure. After the eighth week (or 60 percent of the term), a student will be granted a “W” only by means of a petition if he or she has a verifiable reason (illness, severe financial problems, etc.). In the absence of a petition, some symbol other than a “W” must be placed on the student’s record (A through F in letter graded courses or P or NP in Pass-No Pass courses).

While a “W” will not be used in calculating GPA, “W’s” will be used as a factor in probation and dismissal procedures. (See section on “Progress Probation.”)

Restrictions have been placed on the use of “P” grades: a) no more than thirty (30) units of credit with a “P” grade can be applied toward an Associate in Arts degree, and b) no “P” grade may be applied toward a student’s major requirements unless the course is only offered on a P-NP basis. (This restriction does not apply to Computer Applications and Office Systems majors.)

Units earned on a “P-NP” basis shall not be used to calculate grade point averages. However, units attempted for which “NP” is recorded shall be considered in probation and dismissal procedures. (See section on “Progress Probation.”)

Course Repetition

Repetition of courses is allowed only under specific circumstances as defined below.

1. A student may repeat a course that the Curriculum Committee and the Board has approved as repeatable and whose catalog description indicates repeatability.

2. A student may repeat a course for which s/he has received prior written permission from the Academic Council.

3. A student may repeat a course in which a substandard grade was received. A substandard grade is defined as meaning coursework for which the grading symbols “D,” “F” or “NP” have been recorded. However, with the exception of those courses which are repeatable (See No. 1 above), a course in which a substandard grade was received may be repeated only regardless of the resulting grade.

Record of the previous attempt will be maintained on the student’s transcript with a notation that it has been repeated. Only the new repeated grade will be used in calculating GPA.

Graduation Application

An application for graduation must be completed and submitted to the Admissions and Records Office prior to receiving a degree or certificate. Students should meet with a counselor the quarter preceding the one in which they plan to graduate to review their coursework and complete the graduation petition. This will allow time to make any necessary schedule changes in their last quarter.

Degrees are awarded at the end of all terms.

Guidelines for Course Offerings

To carry out its mission in the Foothill-De Anza Community College District, each college shall ensure students in college-approved, two-year degree A.A./A.S. programs that they will be able to obtain the degree in two years providing they adhere to the prescribed pattern and sequence of courses and are ready to begin college-level work upon entry. Courses that meet major requirements shall be listed in curriculum sheets distributed by each college; and each college, obligated under the policy, shall meet to ensure those courses are offered at one or both of the two colleges with appropriate frequency.

Minimum class size guidelines apply to all lecture, lecture-lab and laboratory classes. A minimum class size of 20 is generally required. Special circumstances, however, may necessitate the continuation of a class below the 20-student minimum. The key factor in making a decision to continue will be based upon program needs: e.g., second or third quarter or second-year sequential courses, courses required for an identified major or career subject area, combined courses meeting at the same hour with the same instructor, and one-of-a-kind offerings needed for graduation or transfer. Exceptions to minimum class size guidelines may also be based on the following:

- limited classroom or laboratory facilities,
- statutory and state regulations mandating class size
- Independent Study, Special Projects and Cooperative Education.

Other circumstances that warrant exception may be made by the Office of Instruction.

Class size of all sections is monitored by the Office of Instruction throughout the registration process. In consultation with the appropriate division dean, low-enrolled classes will be identified and an appraisal made of the enrollment pattern. When warranted, sections may be cancelled early in the registration process to foster improved enrollment in remaining sections.
Honors at Graduation

Students who have achieved a De Anza College cumulative grade point average between 3.30 and 4.00 will, upon graduation, be awarded associate degree honors as follows:

- 4.00: Highest Honors Summa Cum Laude
- 3.50-3.99: High Honors Magna Cum Laude
- 3.30-3.49: Honors Cum Laude

Matriculation

Matriculation is a process and a partnership between De Anza College and the student designed to help students achieve their academic goals. The main goals of matriculation are to support student access and success through the following components:

1. Admissions
2. Assessment
3. Orientation
4. Counseling and Advisement
5. Follow-up

1. Admissions

New and returning students’ first step in enrolling at De Anza is to submit an application for admission. Most students submit the application online via the Web site at www.deanza.edu. Paper applications for admission may be mailed to the Admissions and Records Office or submitted in person in the Student and Community Services Building, though most students find the Web site application to be a great way to avoid waiting in line unnecessarily.

2. Assessment

Placement testing assures students receive a fair and accurate assessment of current skill levels, and provides placement in applicable courses. If you plan to take English, English as Second Language (ESL), math, Chemistry 1A, Biology 6A or Biology 40A at De Anza, you must take the assessment tests or provide college transcript proof of prerequisite courses. Assessment uses multiple measures to place each student in the proper class. It is important to complete your assessment testing before meeting with a counselor. Some testing results may take up to three weeks. Visit the Placement/Assessment Web site for information on dates, times and locations of tests.

Web site: www.deanza.edu/admissions/placement

3. Orientation

De Anza offers both online and traditional instruction methods of providing orientation to new students. Students who are not exempt* from matriculation are sent information to register for Counseling 100, Orientation to College, a 0.5 unit course that covers important college policies and procedures, specific information for certificate, degree and transfer goals, and useful resources to be successful in achieving those goals. The student will also develop an educational plan in the Counseling 100, Orientation to College class. Please visit the Web site for more information.

* Students who already have a college degree or are only taking classes for personal enrichment are exempted from taking Counseling 100.

Web site: www.deanza.edu/counseling/newstudents.html

4. Counseling and Advisement

Counseling and advising services assist students in establishing their educational goals and identify support services to achieve those goals. The Counseling and Advising Center, located in the Student and Community Services Building, provides a comprehensive service for students who seek assistance in dealing with a variety of concerns. Academic advisers assist with developing academic plans. Counselors assist with academic advising, educational, personal and career concerns. Please see the Web site for more information.

Web site: www.deanza.edu/counseling

5. Follow-up

Follow-up includes supporting students’ progress toward their educational goals and providing early intervention if they encounter difficulties, usually through follow-up counseling and advising sessions and more comprehensive referrals to additional student support services such as tutoring, mentoring and support programs, etc.

Frequently Asked Questions

What are my rights as a newly matriculated student?

You have the right to the following matriculation services: admissions, assessment and placement testing, orientation, counseling and advising, and follow-up student support services. Students are further entitled to:

- equal opportunity to engage in the educational process regardless of gender, marital status, sexual orientation, disability, race, color, religion or national origin;
- challenge any prerequisite or placement test result, using established procedures available through the Assessment Center in the Student and Community Services Building; and
- review the matriculation regulations of the California Community Colleges and file a complaint when the college has engaged in any practice prohibited by these regulations.

What are my responsibilities as a matriculated student?

You have the responsibility to express a broad educational intent at entrance, complete assigned coursework, adhere to all college rules, regulations and policies and participate in the development of an educational plan.

Do I have to participate in the matriculation program?

Students who declare a goal of certificate, degree, transfer or undecided and do not already hold at least an associate degree are required to matriculate. However, a student can submit a request to waive matriculation requirements to the dean of Counseling and Matriculation for review. De Anza strongly encourages students to participate in matriculation services as research demonstrates that new students who take advantage of assessment, orientation and counseling services are more successful in achieving their educational goals than those students who do not.

Prerequisites

equal educational opportunities. The college will actively seek to educate staff
and students on the deleterious effects of expressions of hatred or contempt based on
race, color, national or ethnic origin, age, gender, religion, sexual orientation,
marital status, or physical or psychological disability; and will promote equality and
mutual respect and understanding among all groups and individuals.

Nonsmoking Areas

The goal of the Foothill-De Anza Community College District is to provide
a safe learning and working environment for students and employees. Smoking is
prohibited in all indoor and outdoor campus locations, with the exception of designated
parking lots.

Smoking is prohibited in district vehicles.

“No Smoking” signs shall be
conspicuously posted at building entrances
and in employee lounges, rest rooms,
locker rooms, dressing areas, cafeterias,
lunchrooms, and stadium and sports
facilities. In addition, designated parking
lot areas for smoking areas will be clearly
marked.

This policy relies on the consideration
and cooperation of smokers and non-
smokers. It is the responsibility of all
members of the district to observe and
follow the guidelines.

This policy shall be communicated
to all employees annually and published
in the colleges’ schedule of classes,
handbooks, Web sites and other appropriate
class locations.

Off-Campus
Activities/Trips

Certain portions of the college program
require off-campus attendance for scheduled
field trips and activities. Transportation
is frequently the responsibility of the
individual student or a travel agency, and
time is sometimes available for independent
activity. The district will not be liable for
occurrences when the participants are
not under the direct supervision of a staff
member.

Open Classes

It is the policy of the district that every
course—unless specifically exempted by statute—will be open to any student who
has been admitted to the college and meets
the class prerequisites. This policy applies to
courses which must report the class average
daily attendance for state aid purposes. It was
established under Chapter II, Division 2,
Part VI, Title 5 of the California Code of Regulations.

Requesting and Receiving
Accommodation(s)

Under ADA*

The Board of Trustees upholds that, for
persons with disabilities, improving the
access to educational and employment
opportunities must be a priority. The Board
of Trustees directs the administration to
take the necessary actions to implement
the requirements of the Americans with Disabilities Act and Section 504 of the
Rehabilitation Act.

The Foothill-De Anza Community
College District shall not discriminate
against a qualified individual with a
disability because of the disability with
regard to employment or with regard to
the provision of district programs, services
and activities.

A person who is otherwise qualified may
request accommodation related to his or her
disability, provided that the accommodation
does not impose an undue hardship on the
district. The procedures for requesting
accommodation are maintained in the
President’s Office, the Office of the ADA
Coordinator and in the District Human
Resources Office. The ADA coordinator
for De Anza College is Steve Sellitti,
dean of Applied Technologies and Special
Education, 408.864.8923.

Revision of Regulations

Any regulations adopted by the faculty
and administration of the college shall
have the same force as a printed regulation
in the catalog and shall supersede, upon
promulgation, by posting on official bulletin
boards and by announcement, any ruling
on the same subject that may appear in
the catalog or other official bulletins of
the college.

Sexual Assault
Including Rape

De Anza College will not tolerate any form
of sexual assault, including rape, on college
property or at any college-sponsored event.
The college realizes that these situations may
or may not be deemed criminal offenses and
so may have to be handled both internally
by college administrative action and externally by the appropriate law
enforcement agency. Internally, disciplinary
sanctions may include suspension or expulsion for students or suspension or
termination for employees. The standards
of conduct for students and the applicable
sanctions for violating the standards are
contained in the Student Rights and
Responsibilities.

Decisions regarding discipline of
employees will be made in accordance with
applicable legal and contractual provisions
and procedures.

When a victim of rape or any other
sexual assault chooses to go to either the
Counseling Division and/or Health
Services, the strictest of confidentiality
will be maintained. If the victim decides
to report the incident to the appropriate
law enforcement agency, the college will
make every effort to ensure that it will be
handled in the most private and confidential
manner as possible.

Sexual Harassment*

Members of a college community—
students, faculty, staff and visitors—must
be able to study and work in an atmosphere
of mutual respect and trust. It is the policy
of the Foothill-De Anza Community
College District to provide an educational,
employment and business environment free
of unwelcome sexual advances, requests for
sexual favors, and other verbal or physical
conduct or communications constituting
sexual harassment as defined and otherwise

* Foothill-De Anza's Administrative Procedures: Investigation and Resolution of Complaints Regarding Harassment and Discrimination, Procedures to Resolve Student Complaints of Sexual Harassment and Discrimination, and the district's Unlawful Discrimination Complaint forms are available in the President's Office, the Office of the Vice President for Student Services, the District Human Resources Office, and the district Chancellor’s Office. 2. A decision based on the submission to or rejection of a sexual advance.
3. Verbal or physical conduct of a sexual nature that interferes with an individual’s performance or creates an intimidating work or educational environment.

Immediate action shall be taken against individuals determined to be in violation of this policy. Any individual who believes that he or she has been a victim of sexual harassment may file a complaint within one year of the date on which the complainant knew or should have known of the facts of the sexual harassment incident.

Complaints of sexual harassment filed by an employee of the district against another employee or student, or a student against an employee of the district shall be referred and handled pursuant to the district’s Administrative Procedures: Investigation and Resolution of Complaints Regarding Harassment and Discrimination. Such complaints should be directed to the dean of Student Development and EOPS at 408.864.8828 or the vice president of Student Services at 408.864.8330.

Such complaints should be directed to the dean of Student Development and EOPS at 408.864.8828 or the vice president of Student Services at 408.864.8330.

Student Grievance Procedures

De Anza College strives to treat all students fairly, but as in any complex organization, misunderstandings and even conflicts can arise from time to time. As a student, you have certain rights under the published rules and regulations of the district and the college, the state laws regarding education, and the federal affirmative action laws.

If you feel that your student rights have been violated by the college—in one instance, or over a period of time in a series of events—you have the right to try to resolve the problem. In most cases, problem situations turn out better if they’re attended to quickly and simply. That’s why De Anza’s trustees and student government set up the Student Grievance Procedures, which require a student to do just that. The complete Student Grievance Procedures follow this step-by-step summary. It’s a good idea to read them carefully if you decide to file a grievance.

**Procedures:**

**Step 1.** You must try to solve the problem informally first. You and the other person(s) involved need to meet and try to solve the problem. You can ask for help from any De Anza community member. Give it your best shot.

**Step 2.** If you still aren’t satisfied, you can file a formal grievance. Upon the recommendation of the appropriate dean or administrator you can file a grievance form. You will need to provide the specific rule or law (Students Rights and Responsibilities) that you feel was violated, as well as all the details of the events(s). Provide copies of any pertinent documents. Don’t delay—to file a grievance you must be a current student or have been one within 30 days before filing, and you must have learned of the particular event or the latest of a series of events no more than 30 days before you file. [Regardless of when you learned of the events(s), if the alleged violation(s) happened more than a year in the past your grievance won’t be valid.]

**Step 3.** Pick up a student grievance form from the Office of Student Development and EOPS or DASB Office, the Activities Office or the office of the vice president of Student Services. You can receive assistance with completing the form from any faculty or staff member; or you can ask for help from the De Anza Student Body (DASB).

**Step 4.** File your completed student grievance form with the Office of Student Development and EOPS. Please do not return the completed grievance form to any other office. You will receive acknowledgement of receipt of your grievance usually within two weeks from the time it is received. Your grievance will be forwarded to the dean of Student Development and EOPS.

**Step 5.** The Grievance Review Board will review your grievance and will decide if you met the standards for filing, and whether your grievance meets the basic standards of legitimacy for consideration. The office of Student Development and EOPS will contact you if your grievance warrants a hearing. You will be contacted and a hearing will be scheduled.

**Step 6.** The exact nature of the hearing differs from case to case and is under the direction of the grievance officer. You—and the other person(s)—can have with you, or be represented by, any other person who is not an attorney. You can purchase (at cost) a copy of the official record of the hearing.

**Step 7.** The Grievance Review Board will try to reach a decision within 30 days from the time of the hearing. They will decide, on the outcome of your grievance, what relief (if any) you should be granted. They will forward their recommendation to the dean of Student Development and EOPS. You will be notified by the dean of the board’s recommendation.

**Step 8.** The college president or his/her designee has the final decision regarding the outcome. If it is determined that violation of rights is a result of a district rule or some other reason beyond the college’s control, the president or his/her designee will recommend the appropriate action at a higher level, the chancellor and trustees.

**Student Right-to-Know**

**Summary Report**

In compliance with the federal government, De Anza College has provided a summary of the students entering De Anza College for the first time in the 2003 fall quarter:

Students may request transcripts online or in person with identification. Transcripts will subsequently be mailed or electronically sent to designated institutions or individuals.

**Transfer Credit From Other Colleges**

Students completing courses at other colleges accredited by one of the six approved regional accrediting associations may request to use this credit to fulfill De Anza requirements. Official transcripts should be sent directly to the De Anza Admissions and Records Office from the other college or students may deliver sealed, unopened transcripts. Upon review, eligible transfer credit will be applied to the student's De Anza record.

**Non-Accredited Regional Colleges**

Students may receive up to 18 quarter units of elective credit for coursework completed at a college accredited by other associations recognized by the Council of Postsecondary Accreditation (COPA). This credit is not transferable to meet bachelor's degree requirements. Official transcripts should be mailed or submitted to the Admissions and Records Office and appropriate credit, where applicable, will be added to the De Anza student record.

**Units**

A unit is the standard measurement of college and university work. One unit equals one hour of classroom work per week in most classes, predominantly those of lecture or lecture-discussion formats. Students should expect two hours of outside preparation for each one hour spent in such classes. Laboratory classes have three hours of work per week per unit. (Specialized performance classes such as athletics, drama and music require more than three hours per week per unit.) Quarter units are equal to two-thirds (2/3) of a semester unit. Conversely, a semester unit is equal to one-and-a-half (1 ½) quarter units.

**Unit Load Limitations**

Twelve units is the minimum number of units required for classification as a full-time student. A normal class load will be between 12-17 units. New students may not exceed a maximum of 21.5 units during their first quarter of enrollment at De Anza, without the approval of the dean of the Counseling Division.

Continuing students may enroll in excess of 21.5 units (including physical education and labs) if they have met the following conditions:

1. Completed a minimum of 12 units in the preceding quarter at De Anza;
2. Have not dropped more than one class in the preceding quarter;
3. Completed the preceding quarter with at least a 3.0 GPA.

Students meeting the above criteria, wishing to enroll in excess of 21.5 units, must petition through the Counseling and Advising Center during the first week of the quarter. Petitions will not be considered before the first day of classes. Students who do not meet the criteria may petition the dean of Counseling for an exception to this policy.

**Unsatisfactory Work**

When a student persistently neglects class assignments or has excessive absences, the instructor may drop the student from the class or assign a non-passing grade.
