

GENERAL EDUCATION REQUIREMENTS

General Education Requirements 2009-2010

Effective Fall 2009 through Summer 2010

De Anza College offers two associate degrees, the Associate in Arts (A.A.) and the Associate in Science (A.S.). In order to obtain either degree, you must complete between 31-42 quarter units of General Education (GE) and additional unit requirements for your major. The number of units required for a major will vary from program to program. To qualify for the associate degree, you must complete a total of 90 quarter units which is comprised of De Anza's General Education, major and, if necessary, elective courses of your choice. The associate degree is not required for transfer. However, with careful planning, you may qualify for an associate degree while meeting requirements for transfer admission. Review the following pages for listings of courses that satisfy De Anza's GE, Intersegmental General Education Transfer Curriculum (IGETC) and California State University (CSU) GE/Breadth requirements.

The General Education subject areas for De Anza College's associate degree requirements are listed under the left column below. If you are planning to transfer to the University of California and/or California State University, you may want to complete the requirements listed under the IGETC or CSUGE Breadth. See pages 46 and 47 for approved course lists.

Transfer students with high unit majors (e.g. sciences or engineering) should focus on completing requirements for the major and minimum admissions requirements rather than completing IGETC or CSUGE Breadth requirements.

Completion of IGETC and CSUGE Breadth requirements is not required for transfer. Students who plan to transfer may instead choose to complete the specific General Education-breadth requirements of the transfer institution they select.

Please see the following Web sites for more information: www.ASSIST.org or www.deanza.edu/transfer/

De Anza College's requirements for the certification of CSUGE differ from the requirements identified by the California State University and the information published on ASSIST. Students must complete the CSUGE requirements stated in the De Anza College Catalog and Schedule of Classes in order to qualify for CSUGE certification by De Anza College. There is no catalog year or rule of continuing attendance for CSUGE certification. A course is certifiable if, and only if, it was on the CSUGE requirement list at the time the course was taken. Upon enrolling in final course requirements and receiving conditional admissions to the University, students must submit a request for certification to De Anza's Office of Admissions. Forms are available at Admissions and Records, Counseling, and at www.deanza.edu/counseling/forms.

Completion of requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower division, general education courses to satisfy campus general education requirements. ALL COURSES MUST BE COMPLETED WITH GRADES OF "C" OR BETTER. A COURSE MUST APPEAR ON IGETC IN THE YEAR IT IS SATISFACTORILY COMPLETED. See a counselor/academic adviser about UC majors, colleges, and professional schools which do not accept IGETC, and for other transfer requirements. Upon enrolling in final course requirements and receiving conditional admissions to the University, students must submit a request for certification to De Anza's Office of Admissions and Records. Forms are available in Admissions and Records, Counseling and at www.deanza.edu/counseling/forms.html.
