Review Agenda and Notes

There were no additions to the agenda and the notes from the May 16, 2012 meeting were amended as noted.

Budget Reduction Proposal Presentations

A & R/Assessment 12-13 Budget Reduction Scenario

A&R proposal would reduce by 4.5 positions in addition to the one already for June 2013 which would result in:

Reduction in "Open Hours" and response time to webreg queries.

Limited faculty "window" hours.

Reduce audit compliance related to census.

One evaluator remaining, reduction in transfer eval, graduation petition, transfer credit.

No dedicated staff for transcripts.

Reduced registration exception processing, enrollment impact.

Assessment 12-13 Budget Reduction Scenario

Scenario 1 - Reduce two more positions, leaving zero remaining, leaving only a supervisor and specialist.

Would not be able to provide current level of placement testing or prereq clearance, interface w/divisions or institutional research.

Scenario 2 – The Assessment Office would be eliminated and the college would have to find new ways of assessing students in order to be compliant with the SSTF.

Financial Aid 12-13 Budget Reduction

The college has to meet its MOE (Maintenance of Effort) obligation in order to maintain BFAP funding.

Failing to meet MOE will result in dollar for dollar reduction to the BFAP allocation.

Based on the current budget, the college has to increase its F.A. Fund 14 budget to meet its MOE obligation.

Cuts will result in loss of BFAP dollars, resulting in more staff cuts and loss of services.

Outreach 12-13 Budget Reductions

Fund 14 reductions can only be achieved by eliminating the two positions funded.

What would the reduction or elimination of Outreach mean for the college?

Outreach is one of the college's institutional initiatives as stated in the Ed Master Plan and Accreditation Standards. Elimination of Outreach would mean abandoning these commitments.

Without Outreach enrollment may drop further.

Student diversity can be affected.
