

SLO Assessment Cycle for PEA 6X

Adapted Outdoor Education SLO Modified: [12/08/2010]

Tom Beggs's Team Members:

1. [Jim Haynes](#) (x8954) PEA

Additional Team members not on list/notes about team:

Marcia Peterson, Mary Bennett

Additional Notes:

Outcomes:

Outcome 1: Statement Modified: [10/31/2010]

Within the context of a student's disability, he/she will be able to demonstrate that his/her physical well being has been positively effected through the Adapted Outdoor Education course.

Assessment Cycle Records:

Outcome 1: Assessment Planning Modified: [12/08/2010]

Assessment Strategy Used:

Quarter: Spring 2011

Assessors: Mary Bennett

Assessment Tools: Interviews • Survey questionnaire document

Sections being assessed: 01

Outcome 1: Reflect & Enhance Modified: [04/13/2011]

Number of people involved in Phase III: 25

Changes:

Students were given more opportunities to experience different types of outdoor activities

Students were frequently given opportunities to experience nature and physical stamina.

Methods:

Exit interviews were given to students.

Summary:

>90% reported increased levels of self esteem
100% reported a strong sense of social connectedness
100% recommended the program because of its emphasis on local SF Bay Area Parks and outdoor areas

Areas of improvement-
better idea of trip expectations for physical workout
create levels of hiking/mobility symbols for degree of trip difficulty

Enhancement (Part I):

Students will be given degree of difficulty for each outdoor location

Students will be tested on their knowledge of each location.

Students will be encouraged to seek further information regarding the flora and fauna

Enhancement (Part II):

More DVD's for local Parks which bring immediate relevance to a specific cite location.

Funds to allow entrance into State Parks which are seldom entered due the cost of a Bus entering State owned areas.

Outcome 2: Statement Modified: [10/22/2010]

Within the context of a student's disability, he/she will be able to demonstrate that his/her psychosocial well being has been positively affected through the Adapted Outdoor Education course.

Outcome 2: Assessment Planning Modified: [10/25/2010]

Assessment Strategy Used:

Quarter: Spring 2010

Assessors: Tom Beggs

Assessment Tools: Interviews • survey questionnaire

Sections being assessed: 01

Outcome 2: Reflect & Enhance Modified: [12/08/2010]

Number of people involved in Phase III: 3

Changes:

Methods:

Questions were derived based upon SLO #1 and SLO #2. Students were given 5 questions regarding self-esteem, participation, success and social connectedness. Other questions involved suggested areas of improvement etc.

Summary:

>90% reported increased levels of self esteem
100% reported a strong sense of social connectedness
100% recommended the program because of its emphasis on local SF Bay Area Parks and outdoor areas

Areas of improvement-
better idea of trip expectations for physical workout
create levels of hiking/mobility symbols for degree of trip difficulty

Enhancement (Part I):

Students will be given degree of difficulty for each outdoor location

Students will be tested on their knowledge of each location.

Students will be encouraged to seek further information regarding the flora and fauna

Enhancement (Part II):

More DVD's for local Parks which bring immediate relevance to a specific cite location.

Funds to allow entrance into State Parks which are seldom entered due the cost of a Bus entering State owned areas.

[Number of Outcomes for PEA 6X: 2]
